Sir,-

Re S. W. 10-15- 4 West 4th.M. Refs.2083172)

Referring to the matter of the alleged desertion of Mrs. James Crossling by her husband, the Pre-Emptor of the above described land, I beg to state that I recently visited the locality for the purpose of securing information in relation to this matter, but was unable to interview either Mrs. or Mr. Crossling as neither of them are at present on the land.

No person in the vicinity appears to know the whereabouts of James Crossling as he has not been in the neighborhood for about three years.

Mrs. Crossling, according to information obtained, resided in the City of Medicine Hat, when last heard of, but I could not secure her address. The Postmaster at Medicine Hat cannot recall of delivery of mail to her.

From reliable information obtained in the vicinity of the land, Mrs. Crossling was deserted by her husband about three years ago and neighbors are of the opinion that it was bona-fide desertion. The Postmistress at Bowmanton states that the usual place for Mrs. Crossling to secure her mail was at Bowmanton Post Office, and that she cannot recall ever having handled letters etc., addressed to Mrs. Crossling, which would appear to have been from James Crossling. Neighbors are satisfied that Mrs. Crossling has been the sole support of herself and children since Crossling left her in 1918.

Mr. Martin is strongly of the opinion that she should be permitted to make entry for the land as a homestead and procure patent for the same.

In a communication from Mrs. Crossling under date of the 21st August, 1920, she states that she is residing on the above half-section (referring to the homestead and pre-emption) and further on, makes a statement that she has been on the land since the Spring of 1915 with the exception of five months in 1918 and 1919, and that there are about sixty or sixty-five acres broken. It would appear from her statements that she is in possession of the homestead patent in her husband's name, and this view is supported by the Homestead Inspector's report of April, 1920, wherein he states that the buildings are on the homestead quarter-section.

Under the circumstances, if Mrs. Crossling has attained possession of the patented homestead, it might be considered that she has exhausted her homestead rights, and should be called upon to pay the purchase terms of the pre-emption before obtaining patent for the land. There is no evidence on the Official files to show that there are any improvements on the pre-emption, and I am of the opinion that the residence claimed by Mrs. Crossing has been performed on the patented homestead, and you may desire to ascertain whether she is ~~only~~ in possession of the latter quarter-section before giving a final decision in this case.

General Remarks:

"The above entrant is working out
"and Mrs. James Crossling and Coy is putting
"in crop and intends breaking 30 acres this
"year and make application for patent."

In view of the Inspector's remarks his attention was directed to the claim of desertion made by the wife of the entrant, and on the 31st May, 1920, the Homestead Inspector submitted the following supplementary report:-

"Acting on your instruction I have
"again visited Mrs. James Crossling of 10-
"15-4-W.4th, and she informs me that she
"was deserted by her husband, James Crossling
"in August 1918, and that she has had no
"correspondence or support from him since
the above mentioned date and is not in
"possession of his present address."

In view of the information then before the Department cancellation proceedings were taken against the pre-emption entry on the 30th June, 1920.

The case was submitted on the 8th September, 1920, in memorandum prepared by Mr. Cowan and in accordance with Mr. Hume's memorandum of the 15th September, Mr. J. W. Martin was furnished with full particulars of the case, together with copies of the Homestead Inspector's reports and asked to look into the matter.

Mr. Martin's report is now to hand wherein he states that he recently visited the locality but was unable to interview either of the parties as neither were in residence on the land and no person in the vicinity appears to know anything of the whereabouts of the entrant as he has not been seen in the neighbourhood for about three years. According to information obtained by Mr. Martin, Mrs. Crossling when last heard of was residing in the city of Medicine Hat, but he was unable to secure her address and the Postmaster at that point could not recall having delivered mail to her. The report further sets forth that from reliable information obtained in the vicinity of the land, Mrs. Crossling was deserted by her husband about three years ago and neighbours are of the opinion that it was a bona fide desertion. Mrs. Crossling usually secured her mail from the Bowmanton Post Office, and the Postmistress at that point could not recall having handled any letters addressed to Mrs. Crossling, which would appear to have been received from her husband, and neighbours are satisfied that Mrs. Crossling has been the sole support of herself and children since her desertion in 1918, and that Mrs. Crossling has made the land her home, at least during most of the year, and when absent had to earn money for the support of herself and children.

This is a case of desertion and the question to be decided is whether the pre-emption entry granted to Mr. James Crossling is to be cancelled and the deserted wife given an opportunity of procuring homestead entry for the land in her own name.

On the 27th January, 1919, Mrs. Crossling advised the Department that she had been deserted by her husband in August 1918, and that she was left with the care of four children. In view of the statements made by Mrs. Crossling instructions were given to procure a Homestead Inspector's report, showing the duties performed both by the entrant and his wife.

The following report was made by Mr. Homestead Inspector Mayberry in April, 1920:-

Entries of James Crossling.

I am directed to acknowledge receipt of your letter of the 22nd ultimo regarding the whereabouts of the wife of the entrant for the land above described and recommending that she should be permitted to procure the North-west quarter of Section 10 as a homestead in her own name on the grounds of being a deserted wife.

According to Mr. Homestead Inspector Mayberry's report of April, 1920, there were no buildings on the pre-emption and any residence duties which may have been performed by Mrs. Crossling would appear to have been done on the patented homestead.

Before coming to a decision in this case the Department desires information as to whether the patented homestead has been turned over to Mrs. Crossling and if not under what conditions she is in possession of the land and also a statement regarding the work performed by Mrs. Crossling on both quarter sections before and or after her desertion and all other possible information which would enable the Department to arrive at a decision in this case.

approximately five acres which was done during 1920. The whole area prior to this breaking, being approximately 60 acres, was cultivated each year since Mr. Crossling left, but unfortunately the crops were of little or no value. In addition to the residence duties completed on the land previous to 1920, Mrs. Crossling lived there from the Spring until October 1920.

As regards Mrs. Crossling's occupation of the Homestead, the S. W. quarter of 10, she lived there without having any title or registered interest in same and it might be mentioned that this land still stands in the name of her husband in the Land Titles Office in Calgary.

It might also be mentioned that there is an $800.00 Mortgage registered against the Homestead dated the 29th of June, 1918, in favor of the Manufacturers Life Insurance Company and a Feed and Assistance Lien for $68.05 in the name of Harriet M. Crossling was registered against this quarter section in December 1919, from which it would appear that Mrs. Crossling was in residence during the Fall and, possibly, Winter of 1919.

It would appear from the foregoing, and the particulars already in your possession, that Mrs. Crossling should be granted an entry for the N. W. ¼ of 10, if

Sir:

With further reference to the matter of the Pre-emption entry of Mr. James Crossling for the N. W. of 10-15-4, West of the 4th Meridian, and to your letter of the 13th ultimo, files Nos. 2083172 and 2082996, I beg to state that after considerable difficulty the address of Mrs. James Crossling was found, which is No. 452, 8th St. S. E., Medicine Hat, Alberta. This address was visited by me recently and it was ascertained that Mrs. Crossling was absent at the time nursing, so that she could not be interviewed, however, this is the correct address in case you desire to correspond with her.

Mrs. Crossling's son and daughter were at home and they assured me that the family had not received any assistance from the father since he deserted them as mentioned in my previous letter. Mrs. Crossling, with the assistance of her small growing family, supported them while in residence on her husband's Homestead during the periods previously mentioned, and while the house is the same as existed on the place prior to the husband's leaving, as is the stable, the chicken-house was erected after he left. All of the improvements are on the Homestead and the only breaking completed since he left was approximately

that there are no improvements upon the pre-emption;

that Mrs. Crossling's present address is No. 452, 8th St., S.E., Medicine Hat, Alberta, and that her occupation is nursing.

The information on file is to the effect that Mr. Crossling has not completed the requisite residence duties, nor has he broken the required area in connection with his pre-emption, therefore it would seem that his entry should be cancelled owing to his failure to fulfil the required settlement duties.

It would appear that Mrs. Crossling's son and daughter are still living on the patented homestead.

Mr. Martin is strongly in favour of Mrs. Crossling being granted homestead entry for the pre-emption quarter-section.

Respectfully submitted.

Entry granted - 10th March, 1914.

Re S.W.¼ 10-15-4-W.4th M.
Homestead - James Crossling.
Patent issued - 8th April, 1918.

Mrs. Crossling, the wife of the pre-emptor, claims to have been deserted by her husband and has made application to be permitted to make entry for the pre-emption as a homestead in her own name.

Mrs. Crossling claims that her husband deserted her in August, 1918, and according to a report received from Mr. J.W. Martin, Inspector of Dominion Land Agencies, this would appear to be the case.

Cancellation proceedings were instituted against Mr. Crossling's pre-emption entry on behalf of the Department on the 30th June, 1920, and up to date no defence has been received.

Mr. J.W. Martin furnished a report in regard to this case on the 22nd August, 1921, and the matter was submitted by Mr. Harris in a memo dated the 31st August, 1921. (Memo marked).

Your endorsation on this memo reads as follows:-

"Further information necessary - Did the "husband turn over to her the homestead? "What residence and work has she performed "on the land both before and after desertion "and on which quarter - all other possible "information."

A further report received from Mr. Martin is to the effect that all the residence performed by Mrs. Crossling has been on the patented homestead;

that the patented homestead still stands in the name of Mr. Crossling and is mortgaged to the extent of $800.00;

that the only additional improvements made by Mrs. Crossling since her husband deserted her, consist of a chicken house and five acres of breaking;

that Mrs. Crossling probably continued to reside upon the patented homestead up to the Fall of 1919;

In view of the information furnished by the Inspector and as the entrant has filed no defence, you are hereby authorized to carry out cancellation and allow Mrs. Crossling, the deserted wife, whose present address would appear to be 452 - 8th Street, S.E., Medicine Hat, to re-enter for the land as a homestead in her own right on the usual terms.

Sections 30 to 35 of the Soldier Settlement Board Regulations, 1919, read as follows:

Conflicting Claims

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Right of Entry in Area A Restricted

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Your Ref. D-C-30.

I beg to acknowledge receipt of your communication dated 15th ultimo wherein you state that an application has been made for an adjustment of the liens registered against the above property.

In this connection I am to advise that there is no record of any Federal indebtedness advanced on the security of the land in question but the records show that Provincial advances were made to one, Harriet M. Crossling on the security of the W½ 10-15-4-W. 4th as shown in the attached statement.

The NW¼ 10-15-4-W. 4th is the acknowledged homestead entry of Mrs. H. M. Crossling and is apparently still vacant. There is no Homestead Inspector's report in connection with the same of recent years.

The SW¼ 10-15-4-W. 4th was patented to James Crossling of Bowmanton, Alberta as a homestead, under date April 8, 1918. There is no Homestead Inspector's report on file.

Re: Account of Harriet M. Crossling
Ea 10-15-4-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $612.55 were made to Harriet M. Crossling in 1919 and 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$212.55	$641.31	$853.86

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of William Paul
S.E.¼ 3-18-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $25.20 was made to William Paul in 1922, on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$25.20	$72.26	$97.46

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re S. ½--13--26--15--W.--4th--Mer.

Replying to your letter of the 26th ultimo, I beg to say that if, after obtaining patent for your homestead, you transfer your title to your wife you will require, under the Regulations, to take up actual residence on your pre-emption in order to complete the residence therefor, as a settler is not permitted to perform the residence duties for the pre-emption on land owned by a relative in the vicinity.

It would seem advisable under the circumstances, to defer the transfer until after you obtain a patent for your pre-emption as you may, in performance of residence duties for your pre-emption, continue any residence on the homestead after it has been patented in your name, and provided it is not transferred by you thereafter.

George H. Jones, deceased
Mrs. George H. Jones

The indebtedness in this case received the investigation of the Seed Grain Adjustment Board of Alberta who recommend that the indebtedness be released from the S.E.¼ 13 upon payment of $50.00, being the value of the improvements; the balance of the indebtedness to be retained as a charge against the S.W.¼ 13, against the Estate of the debtor and Mrs. George H. The Board therefore recommend that Mr. Charles Parsons, the present entrant for the S.E.¼ 13, be requested to pay the full value of the improvements on this quarter section as established by the Homestead Inspector; that the amount to be so paid to be forthwith applied on account of the said liens and with such payment all liens charged against the said land be discharged in so far as this land is concerned.

Order-in-Council P.C. No. 42/2186 dated the 20th September, 1930, passed authorising the acceptance of the above.

The S.W. Quarter is presently vested in this Department having been acquired through Tax Recovery Proceedings, while the S.E. Quarter is unalienated crown land. This land occupied at present under a long term grazing lease, and is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of George Howe Jones
S.½ 13-26-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $208.75 were advanced to George Howe Jones on the security of the above mentioned land. Payments of $59.45 and $25.00 were received in 1916 and 1929, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 150.03	$ 255.01	$ 405.04

Patent was issued in the name of George Howe Jones for the S.W. 13-26-15-W4 on the 21st of October 1913 and later became subject to the 1915 liens. The S.E. 13-26-15-W4 was formerly the pre-emption of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 21st of July 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"The S.W. Quarter is presently vested in this Department having been acquired through Tax Recovery Proceedings, while the S.E. Quarter is unalienated crown land. This land is occupied at present under a long term grazing lease, and is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Re: Account of G. R. Jones
S.E.¼ 13-26-15-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $22.50 were made to G. R. Jones in 1922 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$22.50	$64.44	$86.94

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Gentlemen,

I have heard that a second right to homestead is being granted to people who had allready proven up land some years ago, so I am writing you to ascertain whether or not I would be able to get another homestead.

I filed on my present homestead in 1910 and proved it up, securing patent in 1914, and would like very much to secure another qarter of land if possible.

Kindly advise me what the regulations are, and if I would qualify, I would appreciate your sending me the necessary application blanks.

Sir,-

SE. ¼ Sec. 34 Tp. 1 Rge. 17 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Re: Account of Adam Keldinger
Sec 21 & SE 22-15-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances or relief amounting to $557.76 were made to Adam Keldinger in 1919, 1920 and 1922 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$557.76	$1,684.22	$2,241.98

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1923, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1923, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

As regards the Joint Provincial and Federal advances in 1920, you will note that there is still a balance of $480.87 to complete payment of this account.

Re M.V.' 34-1741 W.4th.

Dear Madam:-

In reply to your letter of the 16th ultimo, I beg to advise you that the information supplied you was furnished this Department by the Department of Agriculture, Edmonton, Alberta, in regard to the outstanding advances for relief in 1920, this Department being interested to the extent of 50% in these advances.

Seed Grain advances on patented land, subsequent to 1915, were made by the Department of Agriculture, Edmonton, and this office has no record of same. It is possible that, if seed grain advances were made in 1920, part of the payment was applied to that account.

The Department of Agriculture, Edmonton, was furnished with a copy of your letter, and you will be, no doubt, further advised in regard to the application of the payments mentioned.

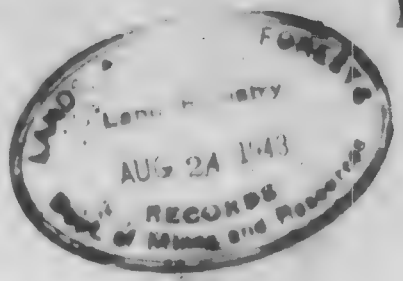

Yours very truly,

Mrs. Esther Hansas,
Hardieville,
Alberta.

Re: N.W. 34-1-17 W4th

This will acknowledge your letter of the 28th of September, 1949, asking for an up-to-date statement in the above connection and stating that your file shows a Federal Seed Grain bond for $56.40 registered against the above land. According to our records there is now no Federal indebtedness against the N.W. 34-1-17-4. A Discharge of Mortgage numbered 20628 for $59.40 was forwarded to Joseph Orosz, the owner, on the 4th of January, 1918. There is still a Joint Relief Account in the amount of $399.68 outstanding. The present standing of the Joint Account is:

Principal	Interest	Total
$399.68	$528.82	$928.50

If Mr.Orosz has mislaid the Discharge of Mortgage a certified true copy will be furnished on receipt of the customary fee of $2.00.

Dear Sir: Re: W.½ 34-1-17-W.4th
Orosz Estate

Further to my letter of the 28th ultimo advice has now been received from the Dominion Officials to the effect that there is no Federal indebtedness against the NW 34-1-17-4. A discharge of the Crown lien was forwarded to Mr. Orosz on January 4, 1918 with instructions that same be registered in the Land Titles Office, Calgary. Apparently Mr. Orosz omitted to register this discharge and if the original discharge is not now available a duplicate may be obtained for a fee of $2.00. If a duplicate discharge is required we would suggest that you write to Mr. B.E.B.Sinclair, Chief, Lands Division, Department of Mines & Resources, Ottawa enclosing the remittance for $2.00 requesting a certified copy of the original discharge quoting Mr. Sinclair's file number, 2087579 and the NW¼ 34-1-17-4.

The foregoing together with the information contained in my letter of the 28th ultimo we believe will give you a clear picture of this case.

Dear Sir:

The deceased had filed on a homestead consisting of the South East quarter of Section 18-25-[illegible], West of the fourth, and on a pre-emption of the North East quarter of 18-25-[illegible]-West of the fourth. So far I have been unable to find the patent and it has occurred to me that perhaps the ptent has not been issued.

Will you kindly let me know and if the patent has not been issued will you be good enough to hold it until I send the Letters of Administration which I am going to take out for the father and mother of deceased, who live in England.

I have your letter of the 14th ultimo with regard to the above mentioned entrant. We have records here of Joseph (not James) Addis who enlisted the following [illegible]:-

S.E.F.[illegible] 18-[illegible]-[illegible] (not 4) 7.4th Rd.
A.E.F.[illegible] 18-[illegible]-[illegible] (not 4) 7.4th Fre.n

We have no means of knowing whether this is the party about whose estate you are writing but probably it is the same person. You might write me again confirming the name and [illegible].

In the meantime, I may say that patent for the homestead above described was issued in the name of Joseph Addis on the 1st October, 1915, and forwarded to the registrar of Land Titles at Calgary on the 20th of that month.

The patent for the pre-emption quarter section has not yet been issued but we have no notice that Joseph Addis ever enlisted for military service.

No further action will be taken in this case until you have had time to write me again.

McColl, Secretary Estates Branch, Alberta Returned Soldier Commission, Edmonton, has written to the Department describing the land and giving the deceased soldier's regimental number, so that identity would appear to be clearly established. Miss McColl has filed a certified copy of Letters of Administration in favour of the official guardian of Alberta.

The Seed Grain Branch report indebtedness amounting to $64.00 with interest. Nothing has been paid on account of this pre-emption.

It is suggested that on the land being paid for in full patent for this pre-emption be issued in the name of the administrator under authority of the Orders-in-Council of the 8th May and 20th September, 1915.

Recommended.

Madam,

N.E.¼ 18-25-2-W4M.
Your ref. Edm. 2611.

In further reference to your letter of the 4th instant in connection with the above land, I beg to advise you that as the Department has now received evidence of the presumed death of Pte. Joseph Addis, the entrant for this pre-emption, it has been decided that action will now be taken, in accordance with the certified copy of Letters of Administration which you have filed in the Department, to have patent for this land issue in the name of Arthur G. Browning, as administrator, without calling for the performance of any further settlement duties.

I may point out, however, that before patent can issue it will be necessary to complete the payments outstanding against this pre-emption. According to the records these payments are as follows:-

1st instalment $160.00 and interest on same at 5% from the 9/12/14 to date of payment.

2nd instalment $64.00 and interest on same at 5% from the 9/12/15 to date of payment.

3rd instalment $64.00 and interest on same at 5% from the 9/12/16 to date of payment.

4th instalment $64.00 and interest on same at 5% from the 9/12/17 to date of payment.

Balance of principal $128.00 on which no interest is payable until instalments are due.

I may also advise you that there is an indebtedness for Seed Grain and Relief amounting to $64.00 and interest, and patent would issue subject to this indebtedness.

It is regretted that through an oversight you were not previously advised of the payments and the Seed Grain indebtedness outstanding against the above land.

Your obedient servant,

Assistant Secretary.

Secretary Estates Branch,

Dear Sir:-

re: Joseph Addis Estate,
Deceased Soldier,
E ½ 18-25-2- W 4th.

Replying to your letter of the 31st ult., the above half-section was sold to Mrs. Kate M. McGhee, of Acadia Valley, in April 1920, under Agreement for Sale.

The cash payment received from Mrs. McGhee was remitted to the Department of the Interior at Ottawa in connection with the pre-emption of the deceased, namely, the E. ½ of 18-25-2- West of 4th. Since that time Mrs. McGhee is in default of her payments.

As soon as further funds are received from Mrs. McGhee, the seed grain debt referred to by you will receive attention.

Yours truly,

I am in receipt of your letter of 7th instant with accompanying communication from the Official Guardian, Department of Attorney General, Alberta.

In view of the contents of the communication in question it would seem that nothing could be expected from the purchaser of this land, Mrs. Kate McGhee, at the present time. However, it might be well to have an inspector when in the district report as to crop conditions so that you could at the opportune moment take the matter up again with the Official Guardian.

Re: Account of Joseph Addis,
Ed 18-25-2-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Joseph Addis received seed grain and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $194.01 of which $64.00 is principal and $130.01 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $64.00 were advanced to Joseph Addis on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$64.00	$130.01	$194.01

Patent was issued in the name of Joseph Addis for the S.E.¼ 18-25-2-W.4th on the 1st of October, 1915, subject to the liens. This half-section of land is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. This land is situated in a drought area and in 1925 the homestead inspector in a report stated that there were no buildings on the land, which was not under cultivation and that breaking had gone back.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:

RE: Account of Joseph Addis
E½ 18-25-2-W.4th

In a letter dated January 16, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and relief which was advanced to Mr. Joseph Addis by the Federal Government in the year 1915. The amount outstanding is $194.01 of which $64.00 is principal and $130.01 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

Seed Grain Advisory Board.

Re: Account of Joseph Addis
ag. 18-25-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $64.00 were advanced to Joseph Addis on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$64.00	$144.43	$208.43

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Stinson.

Mr. Hume:

N.E.¼ 18-25-2-W4M.
Pre. Joseph Addis,
Deceased Soldier.
Entry granted 9th Dec. 1911.

This entrant enlisted for active service and was officially reported as having died while a prisoner of war in Germany on the 18th January, 1918.

Miss Margaret F. McColl, Secretary Estates Branch, Alberta Returned Soldier Commission, Edmonton, has written to the Department describing the land and giving the deceased soldier's regimental number, so that identity would appear to be clearly established. Miss McColl has filed a certified copy of Letters of Administration in favour of the official guardian of Alberta.

The Seed Grain Branch report indebtedness amounting to $64.00 with interest. Nothing has been paid on account of this pre-emption.

It is suggested that on the land being paid for in full patent for this pre-emption be issued in the name of the administrator under authority of the Orders-in-Council of the 8th May and 20th September, 1915.

I may point out, however, that before patent can issue it will be necessary to complete the payments outstanding against this pre-emption. According to the records these payments are as follows:-

Balance of principal $128.00 on which interest is payable until instalments are due

I may also advise you that there is an indebtedness for Seed Grain and Relief amounting to $64.00 with interest, and patent would issue subject to this indebtedness.

It is regretted that through an oversight you were not previously advised of the payments and indebtedness outstanding against the above

Re: Account of Joseph Addis,
NE 18-25-2-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Joseph Addis received seed grain and relief a loan from the Government of Canada. The loan was secured by lien on the title of the land, of which we understand you are now registered owner. No doubt you will be interested in settling debt and having the title of your land cleared. The amount standing is $194.01 of which $64.00 is principal and $130.01 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances our case. If so, you should write to the undersigned giving details which will be presented to the Seed Grain Advisory for consideration. The Board will then review the account will be advised of the minimum settlement required to pay ens.

Re: Account of Joseph Addis
E½ 18-25-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $64.00 were advanced to Joseph Addis on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$64.00	$130.01	$194.01

Patent was issued in the name of Joseph Addis for the S.E.¼ 18-25-2-W.4th on the 1st of October, 1915, subject to the liens. The N.E.¼ 18-25-2-W.4th was the pre-emption entry of Joseph Addis, patented on the 25th of March, 1920, in the name of Arthur George Browning in his capacity of personal representative of the late Joseph Addis, subject to the liens.

Joseph Addis died in Germany while a prisoner of war, his parents in England being his next of kin. Letters of Administration issued in favour of the Official Guardian of Alberta. This half-section was sold to a Mrs. Kate MacGhee, but in 1925 she quit claimed the land to the Official Guardian, C. S. Bridges, Acadia Valley, bought the half-section at tax sale and in 1929 advised the Department that he was the owner. Title to the land has since been acquired by a Mr. C. Pederson of Acadia Valley, Alberta.

This half-section of land is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. This land is situated in a drought area and in 1925 the homestead inspector in a report stated that there were no buildings on the land, which was not under cultivation and that breaking had gone back.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

RE: Account of Joseph Addis
E½ 18-25-2-W.4th

In a letter dated January 16, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and relief which was advanced to Mr. Joseph Addis by the Federal Government in the year 1915. The amount outstanding is $194.01 of which $64.00 is principal and $130.01 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: Account of Herman C. Gunther
Ex 5-12-4-4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $159.38 were advanced to Herman C. Gunther in 1919, 1920 and 1922 on the security of the above-mentioned land. A payment of $52.97 was collected by the Province in 1928 and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$129.50	$374.10	$503.60

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive [illegible] 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 1st of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Feed for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of H.E. Rose
S. 14-1-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $231.90 were made to H. E. Rose in 1920 and 1922 on the security of the above-mentioned land. A payment of $45.80 was collected by the Province in 1939 and applied to the principal. The present standing of this account is:-

Principal	Interest	Total
$186.10	$612.44	$798.54

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlement after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Dear Sir: Re: SW 31-15-1-W.4th.

Title to the above land is subject to the following encumbrances:

Seed Grain Bond -	Chas.	Thorne	Cooke,	to	Crown		$143.10 -	April 16,1920
"	"	"	"	"	"	"	134.75 -	May 3,1919
"	"	"	"	"	"	"	134.75 -	May 28,1920

Our records disclose that the registration in the amount of $143.10 was in respect of a joint relief advance which was paid in full on May 30,1928. This was apparently an unpatent land lien registered in the name of the Crown, patent to the above parcel at the time of the advance not having been granted. It is requested that you kindly forward discharge of this registration to the Registrar, Land Titles Office, Calgary, with advice to myself.

No item appears in the Joint Relief Account in respect of the other two registrations and it is requested that you kindly investigate the standing of these two registrations and advise.

Your assistance in this matter will be greatly appreciated.

Yours very truly,

I beg to acknowledge the receipt of your communication of the 22rd ultimo and in reply am to state that before taking any final action on the cancellation proceedings which are outstanding against this entry, it is deemed advisable that you have Inspector Nurcombe interview the entrant which he stated he would do, in his report of the 25th April last, when next in the vicinity.

The Deputy Minister instructed that the Agent should be wired to expedite the report and that when it was received it should be submitted for consideration.

This report is now on file and states that the entrant's present address is not known, otherwise the information is the same as the previous report. The land is stated to be suitable for homestead and valued at $7.00 per acre.

In view of this report I would recommend that the entry be summarily cancelled and the applicant for inspection given the usual priority.

As the homestead and soldier grant adjoin, this man could perform his duties for his soldier grant by residence and cultivation on his patented homestead, provided he is still the owner thereof.

The reports of the Inspector fail to show what residence and cultivation has been performed on the homestead in each year. There is no information on file to show whether or not the residence was completed before the entrant left. The fact that nothing has been done on the soldier grant does not prove that the duties have not been completed.

As the entrant has failed to file a defence, it may be assumed that he is not desirous of retaining the land and on this basis the entry could be cancelled as recommended.

If it is desired to establish what duties have been done for the soldier grant, a further Inspector's report will be necessary.

Patented Homestead.
Cancellation proceedings outstanding.

Mr. Kennedy formerly held this quarter section as a pre-emption but on return from active service abandoned same and took it up as a soldier grant.

When he applied for patent for his homestead in 1914 he had just sufficient duties to count to his credit in connection with the homestead alone.

He is indebted to the Department for Seed Grain, Fodder and Relief which at present will amount to about $600.00. In July 1924, an Inspector reported that 80 acres of the half-section had been broken and put in crop but on account of drought the crop was a failure.

On the 5th March, 1925, cancellation proceedings were instituted on behalf of Mr. A. C. Boulter, who claimed that the entrant had never resided on the land.

The entrant failed to file a defence and on the 25th April last an Inspector reported that there were no improvements thereon, except 40 acres on which the rock had been picked and which was valued at $70.00. The entrant was stated to be away at work but would return about the end of April and he stated he would interview him when next in the vicinity.

Since that date the applicant for inspection has written to the Department protesting against the delay and stating that he does not see why action is not taken as the entrant has done nothing on the land and has not even paid taxes.

MR.HUME.

S.E.¼ 12-25-3 W.4th M.
Hd. - Daniel Kennedy,
Patented - 14th August, 1914.

S.W.¼ 12-25-3 W.4th M.
Soldier Grant.
Entry granted - 28th June, 1920.
Area "B"
Cancellation proceedings outstanding.

Mr.Kennedy formerly held the latter mentioned parcel of land as a pre-emption, but abandoned same and took it up as a Soldier Grant. When he applied for patent for his homestead in 1924, he claimed residence, cultivation, and other improvements as shown on form 58A marked, attached to the homestead file. It would also appear that he is indebted to the Department for seed grain, fodder and relief.

Cancellation proceedings were instituted against the entry on behalf of Mr.A.C. Boulter on the 5th March, 1925. No defence was filed. Inspector Nurcombe in a report of the 25th April, 1925, stated that the entrant was away at work, returning to the land end of April. Cultivation:-

40 acres - picked of rock - $70.00.

In his general remarks the Inspector stated that the entrant had 83 acres in wheat and from information gathered, same was a total failure. He recommended an extension of time be granted. In this connection would you kindly refer to Mr.McLeod's memorandum of the 4th ultimo, marked, also your endorsation thereon.

In a memorandum from the Assistant Commissioner dated the 4th ultimo he stated that the Inspector's report recently submitted by the Agent did not contain any information which would be of value in arriving at a decision in this case. He asked that the Agent be wired to have a further report made without delay, and that the report should contain full information with respect to the duties performed both on the patented homestead and Soldier Grant.

The Agent now forwards here a reports from Inspector Nurcombe in connection with the patented homestead. The Inspector states that the present address of the entrant is C/o Canadian National Construction, Winnipeg; no residence; improvements:-

Lumber house, 12 X 14 - $55.00.
Shingle roof.

Cultivation:-

to residence even if he is only given credit for one term of six months residence during the years 1913 and 1914.

There seems to be no doubt that the cultivation duties have been completed in a satisfactory manner.

Cancellation proceedings were instituted against Mr. Kennedy's entry on behalf of an applicant for cancellation named A.C. Boulter on the 5th of March, 1925. No defence has been received from Mr. Kennedy, but it is just possible that he failed to receive notice of the institution of cancellation proceedings as such notice was addressed merely to Winnipeg, Manitoba, without giving any street or number. According to the Homestead Inspector's reports Mr. Kennedy is now working for the Canadian National Construction Company, Winnipeg.

It is also stated at the foot of the Inspector's report of the 17th ultimo that the entrant is expected back this Spring.

As there is a possibility that the duties have been completed I would suggest a final notice to all known addresses, allowing the entrant thirty days to submit a satisfactory application for patent, failing which cancellation should be carried out.

The applicant for cancellation has been pressing and is anxious to get on the land this Spring.

Respectfully submitted,

MEMORANDUM:

S.W.¼ 12--25--3 W.4th Mer.
Soldier grant - Daniel Kennedy
Entry granted - 30th June, 1920.

Please refer to the Acting Deputy Minister's memorandum dated the 25th of February, 1926, (marked) and your memorandum dated the 4th ultimo (marked).

The required reports have now been received and the details are set out in Mr. Davidson's memorandum hereunder.

On examining the evidence set out in Mr. Kennedy's application for patent for his homestead, the South-East quarter of the section, I find that after deducting the residence required to earn patent for such homestead there was one full period of six months and one period of five months and twelve days which can be credited to the duties required in connection with Mr. Kennedy's soldier grant, provided calendar years are counted. See form No. 58 marked. At the time Mr. Kennedy applied for patent for his homestead, i.e., the 12th of June, 1914, he was in residence upon the land and it is quite probable that after making application for patent he continued to reside there for some time as he did not enlist for active service until the 22nd of June, 1916. Inspector Nurcombe's reports in regard to residence have been far from satisfactory and even in his latest report of the 17th ultimo he does not refer to any residence prior to the year 1920, while his statements in regard to residence performed in 1920 and subsequent years consist of the words "Fall to Spring", which might mean either more or less than a term of six months.

It seems probable that Mr. Kennedy completed at least two terms of residence and possibly a full three terms before he enlisted.

If the terms, Fall to April 15th and Fall to Spring, are accepted as signifying a period of six months residence then Mr. Kennedy has fully completed the requirements with respect to residence

Sir,

I beg to inform you that although your soldier grant entry, above described, is liable to cancellation without further notice to you for failure on your part to file a defence to the cancellation proceedings which were instituted against same on the 5th March, 1925, it has been decided as there is a possibility that the settlement conditions attached to your entry have been fully completed, to allow you a final notice of thirty days from this date within which to appear with your two witnesses before the Agent of Dominion Lands at Calgary for the purpose of making application for patent for your soldier grant entry. If you are residing in Winnipeg you may appear before the Agent of Dominion Lands at Winnipeg for this purpose. That official will then forward your application to the Agent of Dominion Lands at Calgary with the names and addresses of your two witnesses whom you name to corroborate your statement.

I am to warn you that this is a final chance and should you fail to comply as above stated within the time allowed, the Agent of Dominion Lands at Calgary will cancel your entry without further notice to you and refer his action here in the ordinary way.

I am in receipt of a remount from Mr. Daniel F. Kennedy, Veteran, Alta., for the removal from the title to the above described land of a lien for $40.00 the date of which he says is the 28th December, 1916.

As I have absolutely no record of any lien for this amount which should encumber the land in question, I would esteem it a favour if you would kindly look up your records and let me have, if possible, a description of the land vested therein as security together with the date, the name of the maker, and how it is made up if it consists of more than one item.

homestead.

It would appear that after deducting the residence required to earn patent for the homestead, Mr. Kennedy might be credited in connection with his soldier grant with one full period of six months residence and one period of five months and twelve days. You will observe on looking at form No. 56C that the settlement duties claimed in the application for homestead patent are indicated by the mark "I" in black, and the residence required for the earning of patent for the homestead is shown hatched in red. It would seem that Mr. Kennedy was in actual residence when he applied for homestead patent and it is quite probable that he afterwards continued to reside on the land for some time as he did not enlist until June, 1916. The reports furnished by Homestead Inspector Hurcombe are unsatisfactory as the information affords no definite clue as to the facts.

Mr. Kennedy made application for patent for his soldier grant on the 4th May, 1916, and the residence claimed has been indicated by the mark "I" in red. It will be seen that this evidence is more or less in conformity with the residence credited him by Homestead Inspector Hurcombe in his report of March, 1916, previously referred to.

The application for patent is supported by the evidence of Melvine E. McGhee of the North West quarter of Section 22, Township 25, Range 2, West of the 4th Meridian, and Arnold J. Thurston of the South East quarter of Section 25, Township 25, Range 3, West of the 4th Meridian.

Certain evidence has been submitted by Mr. A. C. Boulter, the applicant for cancellation, which would tend to undermine the evidence otherwise furnished, and the object of the investigation is to establish the facts. You will find enclosed copy of the evidence submitted by Mr. Boulter which will be of assistance to Mr. Bannerman in arriving at his conclusions.

Please let the Department have your report in the matter at the earliest convenient date.

OTTAWA, 15th March, 1927.

Sir,

Re S.W.¼ 12-25-3-W.4th M.
Soldier grant - Daniel Kennedy.
Entry granted 30th June, 1920.

I am directed to say it has been decided to have an investigation by Mr. J. A. Bannerman in relation to performance of settlement duties by Daniel Kennedy in connection with his soldier grant, above mentioned, and in order that he may clearly understand the situation, the following particulars are submitted:-

Mr. Kennedy made homestead and pre-emption entry for the South half of Section 12, Township 25, Range 3, West of the 4th Meridian, on the 6th April, 1910. Patent for the homestead was applied for on the 13th June, 1914, and on form No. 530 herewith a statement of the duties claimed has been embodied. Letters patent for the homestead issued on the 14th August, 1914.

Mr. Kennedy enlisted for active service with the Canadian Expeditionary Force on the 22nd June, 1916, receiving his discharge on the 26th September, 1917. He qualified for entry under the Soldier Settlement Act and on the 18th May, 1920, abandoned his pre-emption entry and re-entered for the South West quarter of Section 12, Township 25, Range 3, West of the 4th Meridian, as a soldier grant, thereby suffering the loss of credit for his military service.

Cancellation proceedings were instituted on the 5th March, 1925, on behalf of A. C. Boulter of Acadia Valley, Alberta, and a report by Homestead Inspector Barcombe dated the 25th April, 1925, indicated that Mr. Kennedy had performed no residence and had no improvements, with the exception of forty acres picked of rock, value $70.00. However, the entry was protected for the time being and a further report called for in order that the entrant might be interviewed and his intentions ascertained.

A further report by Homestead Inspector Barcombe dated the 17th March, 1926, credited Mr. Kennedy, on information supplied by Mr. T. Gibson of the South West quarter of Section 18, Township 25, Range 2, West of the 4th Meridian, with residence from fall to spring during the years 1920-1921, 1921-1922, and 1922-1923, when it was stated that he moved to his

I am to acknowledge your letter of the 30th March last, enclosing supplementary report of Homestead Inspector Bircombe, together with statements of Messrs. Aaron H. and Aaron Chas. that the Department would be well advised in overlooking the apparent shortage of two months in the third term of residence performed prior to enlistment, viewing it as probable that the entrant remained in residence until May 1916, and granting him patent forthwith.

There is no question as to the cultivation duties, there being 80 acres or more under cultivation on the homestead (which is stated to be still owned by Mr. Kennedy) and 30 acres on the soldier grant, recently undertaken by Mr. Thomas Gibson of the S½ of Section 18, Township 25, Range 2, West 4th Meridian, who has the Kennedy half-section in crop on shares.

"the loss of his military service."

The writer pays tribute to the excellence of the report and the every care taken by Mr. Clarke in securing his material. However, it should be pointed out that possibly sufficient emphasis has not been placed upon the evidence of residence performed on the homestead prior to enlistment. In any event, Mr. Kennedy would appear to be entitled to credit for two terms of six months' residence and four months on the third term, apart from the residence required for the earning of patent for his homestead. Moreover, should it transpire that he remained in residence until May 1916 he would have more than sufficient to meet the requirements for his soldier grant.

Possibly this phase of the case was not sufficiently stressed in the letter of instructions of the 15th March last, for which I am responsible, and that too much emphasis was placed on the alleged residence subsequent to date of entry for the soldier grant. In any case, Mr. Clarke does not seem to have probed the earlier residence which, in any event, would be rather difficult after so long a time.

Inspector Clarke states that Mr. Kennedy is now over seventy years of age (actually sixty-seven, if the homesteader's statement at date of entry can be depended upon) and that he is exceedingly well thought of throughout the district. The Inspector states that he was also favourably impressed by Mr. A.H. Boulter (evidently a son of the applicant for cancellation).

Taking all factors into consideration it would appear that Kennedy has the stronger claim in view of the evident good faith shown in the performance of his residence duties prior to enlistment, which, in any case, have been completed with the exception of a shortage of two months and which may, in fact, have been completed but not established owing to lack of sufficient evidence.

If it is considered worth while a further investigation could be made with regard to the residence prior to enlistment, but I imagine if the situation is explained to Mr. Boulter that Mr. Kennedy completed his residence duties to all intents and purposes prior to his enlistment, he (Boulter) would abandon the contest.

The land appears to be of very little value. Mr. Boulter himself having on one occasion (February 1923) stated that the quarter-section is not worth more than half the amount of the seed grain indebtedness charged against it (at that time approximately $500.00) and according to one Inspector, while all the land is cultivable it is too dry to farm. On the other hand, Mr. Boulter appears to be of a desirable type. He has missed one opportunity elsewhere and was particularly anxious to get this quarter-section as a homestead. He also has six sons whom he wishes to locate. However, Mr. Kennedy for a man of his age is to be commended for having enlisted, but for which no question would likely arise as to his residence. Taking all the facts into consideration I am of the opinion

that

homestead from the 1st January, 1914, to May 1915, when, he states, he enlisted.

Whereas according to a report from the Military Authorities, Mr. Kennedy enlisted on the 22nd June, 1916, it is apparent that he has made a mistake in his evidence, unless, by any chance, he made a previous enlistment of which the Department has no record, in other words, it is possible that Mr. Kennedy remained in residence until May 1916 instead of May 1915. If this is not the case there is no explanation as to what he did between May 1915 and June 1916.

I have set out on form #68 hereunder, the actual residence claimed by Mr. Kennedy on his homestead prior to enlistment, together with details of his military service. In addition to this, however, Mr. Kennedy claimed in his application for patent for his soldier grant the following further residence on his homestead:-

15th September, 1920, to April 1921 - (6½ months)
15th September, 1921, to April 1922 - (6½ months)
15th September, 1922, to May 1923 - (7½ months).

This is the residence called into question by Mr. Boulter, and it may be observed in passing that the entrant does not claim the residence on his soldier grant, which, of course, tends to weaken the case in so far as Mr. Boulter is concerned who must be aware of the fact that the holder of a soldier grant may performed the residence duties on his homestead in the vicinity.

In any case it was decided to place the matter in the hands of Mr. Cuttle for investigation and report by Mr. J.A. Bannerman.

Mr. Cuttle has now submitted a report by Mr. H.W. Clarke of the Timber Office, Edmonton, who has investigated the matter in the absence of Mr. Bannerman on duty elsewhere, and summarising the evidence it appears that the facts with regard to the alleged residence since 1920 have been misrepresented. Unfortunately, Mr. Kennedy could not be interviewed as he is stated to be working at present on the Hudson Bay Railway.

However, in extenuation of the case, Mr. Clarke reports that -

"All parties interviewed agree that Mr. Kennedy is almost "stone deaf, but that he has some skill in lip reading "when speaking with persons with whom he is well acquainted, "that he is sensitive regarding his affliction, and prone "to answer 'Yes' when he has not heard or understood "whatever has been said to him. He can neither read nor "write except for signing his name after a fashion. After "discussing the case with the Calgary officials, I have "come to the conclusion that probably in making his "application for patent for his soldier grant Mr. Kennedy "misunderstood the questions put to him when claiming "residence on his grant during portions of 1920 to 1923, "or did not know that he could claim residence on the "homestead prior to the war, as applicable on the soldier "grant after abandoning his pre-emption entry for the SW¼ "12-25-3, W.4th, and re-entering for the land as a soldier "grant, although he did understand that he would suffer

	$ 1,031.89

I have been approached with a request for a release of these liens in so far as the title to the S.E. 12-25-3-W.4th is concerned.

A search letter discloses that the title to the S.E. 12-25-3-4th is subject to a mortgage in the amount of Two thousand dollars ($2,000.00) registered in 1914 prior to the Crown liens. The debtor is deceased and the solicitors for the beneficiary, who is a sister of the deceased advises that their information from their Agent in Massachusetts is that she has practically no means of her own.

This particular parcel of land is assessed at One thousand eight hundred and twenty dollars ($1,820.00) for taxation purposes and the solicitors have placed a maximum value on same of Two thousand four hundred dollars ($2,400.00). Tax arrears amount to Two hundred and forty-six dollars and thirty cents ($246.30) and with the amount owing under the mortgage, which consisted of principal together with several years' interest, the total owing is very considerably in excess of the value of the land. In view of this the solicitors have tendered the sum of Twenty-five dollars ($25.00) for a release of the Crown liens from the title to this one parcel.

Re: Account of Dan Kennedy,
S.W.¼ 12-25-3-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Dan Kennedy received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,079.71 of which $363.60 is principal and $716.11 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, youushould write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Sir:

RE: Account of Dan Kennedy
S.W. ¼ 12-25-3-W.4th

In a letter dated February 15 you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which was advanced to Mr. Dan Kennedy by the Federal Government in the year 1915. The amount outstanding is $1079.71 of which $363.60 is principal and $716.11 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts, and in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: Account of Daniel Kennedy
S.W.¼ 12-25-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $363.60 were advanced to Daniel Kennedy on the security of the above-mentioned land. A payment of $25.00 was received in 1953 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$363.60	$797.90	$1,161.50

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Re N.W. 14-13-21-W. 4th
Your Ref. 97

Replying to your letter of the 6th instant I beg to say that there is no record in this office of any outstanding account for Federal Seed Grain, Fodder, or Relief advances in connection with the land described above.

Your obedient servant,

Acting Commissioner of Dominion Lands.

A.H.Michel, Esq.,
Chief Taxation Clerk,
Department of Municipal Affairs,

Taxes	$580.51	
Provincial Seed Grain	172.37	
Joint Relief	443.82	$1196.70

which will result in an apportionment of the total sale price as follows:-

Costs	$ 26.44	
Taxes	229.72	
Provincial Seed Grain	68.21	
Joint Relief	175.63	$ 500.00

I would,therefore, recommend that if, and when, the sum apportioned to these liens has been duly applied thereto, all these encumbrances be removed from title to the N.W. 14-13-21-4.

There is no security now remaining for the balance of this account other than the property mentioned herein, and as the debtor has left the country and his address is unknown, I would recommend,that after the sum of $243.84 apportioned thereto from sale of the above land has been duly applied,the undermentioned balance be written off as uncollectable:

Seed Grain:	Principal	$ 44.30

IN YOUR REPLY REFER TO FILE NO. T-C-179
97-C-6

EDMONTON, ALBERTA

18th September, 1929.

E.J.Fream, Esq.,
Chairman, Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir;-

Re; N.W. 14-13-21-W.4th
Provincial Seed Grain and Relief
Geo. A.Clark.

This quarter section is held as security for the undermentioned advances made to the above man;-

Seed Grain:			
Balance Lien #7012 dated May 8/20		$97.10	
Bank charges		15.41	$112.51
Joint Relief:			
Lien #5273 dated	May 8/20	$57.50	
5278 "	" 21/20	158.75	
154 "	Dec.27/19	52.05	$268.30
Seed Grain interest to	August 31/29		59.86
Relief interest "	" 31/29		175.52 $616.19

The debtor abandoned the property some years ago, and the Department of Municipal Affairs offered the same for sale at public auction at which time an offer of $500.00 for purchase was received.

This sum is reported to represent the fair sale price of this land as the same is situated in a dry district, and is rolling and rocky by nature. The Taxing Authorities advise that in addition to the above claims are arrears of taxes amounting to $580.51 with additional costs of $26.44 incurred in filing caveat, taking title etc., and have requested an adjustment of the seed grain and relief liens in order that they may be in a position to take advantage of the offer of purchase now received.

As the sale price is insufficient to liquidate the Crown claims, I would recommend that after first deducting the costs the balance be distributed between the undermentioned claims on a pro rata basis:-

5465362

The Tax Consolidation Board, hereby recommends that the price to be received by the Department of Municipal Affairs, $500.00, for the N.W.¼, 14-13-21-W. 4th Mer., be apportioned to Costs, Taxes and Liens, for advances made to George A. Clark, as follows:-

Costs of Sale	$ 26.44
Taxes	229.72
Prov. Seed Gr.	68.21
Joint Relief Ls.	175.63
Total	$500.00

The Board further recommends that the first charge upon the price to be paid for the said land be the amount apportioned to Joint Relief Liens, and that when paid one-half thereof be remitted to Ottawa, under the terms of the Agreement now in effect.

The Board also recommends that with the payments of the amounts herein provided for, out of the proceeds of the sale of the said land, all liens charged against this land be unconditionally discharged, and any balances remaining unpaid be written off as uncollectible.

The Board also recommends that as the debtor has left the District and all trace of him has been lost, after giving effect to the adjustment herein provided for, any balances remaining unpaid be unconditionally written off.

Chairman, Tax Consolidation Board.

The Honorable R. G. Reid,
Provincial Treasurer,
Government Buildings,
Edmonton, Alberta.

5465362

5. That the first charge upon the price to be paid for said land be the amount apportioned to Joint Relief Liens.

6. That the debtor left the Country some time ago and all trace of him has been lost, so there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that upon payment, out of the proceeds from the sale of said land, of one-half the amount apportioned to Joint Relief, under the terms of the Agreement now in effect, all liens registered against the said land be discharged, and any balances remaining unpaid be written off as uncollectible.

Re: Account of Geo. A. Clark
N.W.¼ 14-13-21-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $268.30 were made to Geo. A. Clark in 1919 and 1920, on the security of the above-mentioned land. Payments of $78.56, $30.57, $90.00 and $10.50 were collected by the Province in 1929, 1932, 1935 and 1951, respectively, and applied to the principal. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$92.67	$436.73	$529.40

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

E. W. Stinson.

The undersigned members of the Seed Grain Advisory Board, having taken into consideration the attached report, approve the settlement outlined therein and do hereby recommend:-

Re: N.½ & N.W.25-25-9-W.4th.

The Provincial liens registered against these three quarter sections were subsequent to a mortgage held by the Great West Life Assurance Company. This mortgage was foreclosed, and on May 17th, 1924, clear title to all three quarter sections issued in the name of the prior mortgagee free of all encumbrances, the Provincial liens having been eliminated by Vesting Order.

As additional security for the Relief advanced a chattel mortgage was taken on the debtor's livestock and farming equipment. The debtor's chattels were all seized by the Bank of Toronto, and from the proceeds of the sale of the said chattels the Government Collectors received the sum of $34.50, which appears credited in the above statement.

In 1924 the debtor was reported to have moved to Big Stone, Alberta, but all efforts to locate him at that point have failed. There has been no trace of the debtor since the year 1924 and Departmental Collectors consider the account as being definitely uncollectible.

No good purpose may be served by retaining this account on the Departmental records and I recommend that it be written off as uncollectible.

Yours truly.

Dear Sir:-

Re: John Whatley,
All Sec.25-35-9-W.4th,
Provincial Seed Grain
and Joint Relief.

This man obtained advances from the Provincial Government, the account of which appears hereunder:-

SEED GRAIN:

Lien #6457	April 19th, 1930.	$80.00	
Lien #6404	April 5th, 1930.	523.13	
Lien 12130	April 8th, 1928.	175.00	
Bank Charges.		101.25	
		$879.38	
Interest to December 31st, 1930.		519.13	$1397.51

RELIEF:

Lien #3764	April 19th, 1930.	$210.00	
Lien #9308	April 11th, 1932.	78.00	
		$288.00	
Int. to Dec.31/30.	$206.24		
Less payment, 1934.	34.80		
		168.64	448.64
			$1846.15

As security for the advances liens were registered against all of Section 25-35-9-W.4th. All of this section was patented land with the exception of the S.E.¼. which was the debtor's pre-emption, his entry to which has been cancelled. The Seed Grain liens charging this land have, therefore, been automatically cancelled. This land is situated in an extremely dry district in the Province wherein the majority of farms have been abandoned, and I recommend that such Joint Relief liens as may be held charging this property be discharged.

The Tax Consolidation Board, hereby recommends that the liens charged against Section 25-25-9-W. 4th Mer., for advances made to John Shatley, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to the N.E.¼, 25-25-9-W. 4th Mer., that such entry has been cancelled and this quarter section is now vacant Crown land.

2. That this land is situate in an extremely dry District and has a very low value, and it will not be possible to bring the land back into use so long as it is encumbered with the liability of the original entrant, and for this reason it is desirable that the liens be discharged.

3. That at the time the advances were made the debtor was the owner of the W.½, and the N.E. ¼, 25-25-9-W. 4th Mer., subject to a first mortgage in favor of the Great West Life Assurance Company, which had priority to all liens.

4. That the Mortgagees foreclosed upon their security and are now registered owners of said land and by such foreclosure all liens were eliminated therefrom.

5. That the chattel mortgage security taken as collateral to the Joint Relief advances was subject to other liens having priority and was realized upon by the prior encumbrancees, and that a proportionate amount of the proceeds from the sale of the said chattels was applied on account of the said advances.

6. That the debtor disappeared in the year 1924, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

All of this section was patented land with the exception of the S.E.¼, which was the debtor's pre-emption, his entry to which has been cancelled. The Seed Grain liens charging this land have, therefore, been automatically cancelled. This land is situated in an extremely dry district in the Province wherein the majority of farms have been abandoned, and I recommend that such Joint Relief liens as may be held charging this property be discharged.

The Tax Consolidation Board, hereby recommends that the liens charged against Section 25-25-9-W. 4th Mer., for advances made to John Whatley, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to the S.E.¼, 25-25-9-W. 4th Mer., that such entry has been cancelled and this quarter section is now vacant Crown land.

2. That this land is situate in an extremely dry District and has a very low value, and it will not be possible to bring the land back into use so long as it is encumbered with the liability of the original entrant, and for this reason it is desirable that the liens be discharged.

3. That at the time the advances were made the debtor was the owner of the W.½, and the N.E. ¼, 25-25-9-W. 4th Mer., subject to a first mortgage in favor of the Great West Life Assurance Company, which had priority to all liens.

4. That the Mortgagees foreclosed upon their security and are now registered owners of said land and by such foreclosure all liens were eliminated therefrom.

5. That the chattel mortgage security taken as collateral to the Joint Relief advances was subject to other liens having priority and was realized upon by the prior encumbrancees, and that a proportionate amount of the proceeds from the sale of the said chattels was applied on account of the said advances.

6. That the debtor disappeared in the year 1924, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Re: Account of John Setterlund
Sk 10-4-5-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $84.50 were made to John Setterlund in 1920 on the security of the above-mentioned land. Payments of $51.81 and $84.50 were collected by the Province in 1930 and 1932, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
-	$19.28	$19.28

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

I came to this part of the Country in April 1924. I have
six sons & am desirous if possible of obtaining land
in this district. I would also like to point out that last
week a piece of land was available in this district for filing
but as I have already cancellation proceedings instituted
against the above land that deprived me of the right to entry
& that is another reason why I should like this matter
definitely settled if possible. As I previously mentioned
this piece of land has been held now for over 15 years &
not a cent for Taxes paid during that time & the ratepayers
of the district think that such a condition as this should not
be allowed to continue, if same can be avoided.

As you are no doubt aware that Dan Kennedy does not
reside in this locality & to all outward appearance has
no intention of doing so, as he has not been seen in this
part since April 1922 & then only for a short time.

I have made two trips to the Calgary Office in
connection with the above land viz in March & July 1925
I shall therefore be greatly indebted to you if you
will kindly give me a decided answer.

In conclusion I would like to add that a ½ Section of
land was recently sold by this Municipality for 320 $.
I think that the above bears out my statement in my letter
of March 26th 1925 & I trust you will agree with my remark.

Sir,

As you are no doubt aware I entered cancellation proceedings against the above mentioned land in March 1925 & to date have not been able to get any satisfactory result. There are several things I would like to draw to your attention regarding this land. To start with this land was originally filed on in 1910 by D. Kennedy as a pre-emption & since that date not one acre has ever been broken or cause or any improvement of any description been made or done on this land & at no time any taxes paid. About 1921 D. Kennedy being returned soldier let this land go as a pre-emption & re-filed on same as a soldiers grant as was customary at that time by returned men. As you know by your letter of June 12th 1925 there is a Land Grant indebtedness against the above land. The Homestead Inspector called on me last summer regarding the above land & after making his inspection states that he can see reason why cancellation proceedings should not continue. Lately I am informed that a W. M. Glee of this district without any authority from any one went to the Calgary office to have proceedings stayed - & these things have stayed. There seems to have been considerable delay in the furnishing of the report in this case. Evidently, the Department has protected the entry on the information furnished in the Inspector's report of April last although the entrant failed to submit a statement in defence of cancellation proceedings.

The applicant for cancellation is pressing for entry and unless some action is taken immediately, he will be too late to secure any benefit from the land this year.

Sir:-

I beg to acknowledge receipt of your telegram of the 26th instant reading as follows,-

"Have Inspector's report south west twelve, twenty-five, three, west fourth, soldier grant, Daniel Kennedy, furnished immediately."

In reply I beg to say that the Inspector's report is going forward to the Department by to-day's mail, and the Inspector has explained that while he made the inspection in July last, through an oversight he neglected to turn in his report.

Your obedient servant,

E. H. Crockett
Asst. Agent.

J. N. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

The Deputy Minister instructed that the Agent should be wired to expedite the report and that when it was received it should be submitted for consideration.

This report is now on file and states that the entrant's present address is not known, otherwise the information is the same as the previous report. The land is stated to be suitable for homestead and valued at $7.00 per acre.

In view of this report I would recommend that the entry be summarily cancelled and the applicant for inspection given the usual priority.

COMMISSIONER

As the homestead and soldier grant adjoin, this man could perform his duties for his soldier grant by residence and cultivation on his patented homestead, provided he is still the owner thereof.

The reports of the Inspector fail to show what residence and cultivation has been performed on the homestead in each year. There is no information on file to show whether or not the residence was completed before the entrant left. The fact that nothing has been done on the soldier grant does not prove that the duties have not been completed.

As the entrant has failed to file a defence, it may be assumed that he is not desirous of retaining the land and on this basis the entry could be cancelled as recommended.

If it is desired to establish what duties have been done for the soldier grant, a further Inspector's report will be necessary.

Mr. Kennedy formerly held this quarter section as a pre-emption but on return from active service abandoned same and took it up as a soldier grant.

When he applied for patent for his homestead in 1914 he had just sufficient duties to count to his credit in connection with the homestead alone.

He is indebted to the Department for Seed Grain, Fodder and Relief which at present will amount to about $600.00. In July 1924, an Inspector reported that 80 acres of the half-section had been broken and put in crop but on account of drought the crop was a failure.

On the 5th March, 1925, cancellation proceedings were instituted on behalf of Mr. A. C. Boulter, who claimed that the entrant had never resided on the land.

The entrant failed to file a defence and on the 25th April last an Inspector reported that there were no improvements thereon, except 40 acres on which the rock had been picked and which was valued at $70.00. The entrant was stated to be away at work but would return about the end of April and he stated he would interview him when next in the vicinity.

Since that date the applicant for inspection has written to the Department protesting against the delay and stating that he does not see why action is not taken as the entrant has done nothing on the land and has not even paid taxes.

Cancellation proceedings outstanding.

Mr.Kennedy formerly held the latter mentioned parcel of land as a pre-emption, but abandoned same and took it up as a Soldier Grant. When he applied for patent for his homestead in 1924, he claimed residence, cultivation, and other improvements as shown on form 58A marked, attached to the homestead file. It would also appear that he is indebted to the Department for seed grain, fodder and relief.

Cancellation proceedings were instituted against the entry on behalf of Mr.A.C. Boulter on the 5th March, 1925. No defence was filed. Inspector Nurcombe in a report of the 25th April, 1925, stated that the entrant was away at work, returning to the land end of April. Cultivation:-

40 acres - picked of rock - $70.00.

In his general remarks the Inspector stated that the entrant had 83 acres in wheat and from information gathered, same was a total failure. He recommended an extension of time be granted. In this connection would you kindly refer to Mr.McLeod's memorandum of the 4th ultimo, marked, also your endorsation thereon.

In a memorandum from the Assistant Commissioner dated the 4th ultimo he stated that the Inspector's report recently submitted by the Agent did not contain any information which would be of value in arriving at a decision in this case. He asked that the Agent be wired to have a further report made without delay, and that the report should contain full information with respect to the duties performed both on the patented homestead and Soldier Grant.

The Agent now forwards here reports from Inspector Nurcombe in connection with the patented homestead. The Inspector states that the present address of the entrant is C/o Canadian National Construction, Winnipeg; no residence; improvements:-

There seems to be no doubt that the cultivation duties have been completed in a satisfactory manner.

Cancellation proceedings were instituted against Mr. Kennedy's entry on behalf of an applicant for cancellation named A.C. Boulter on the 5th of March, 1925. No defence has been received from Mr. Kennedy, but it is just possible that he failed to receive notice of the institution of cancellation proceedings as such notice was addressed merely to Winnipeg, Manitoba, without giving any street or number. According to the Homestead Inspector's reports Mr. Kennedy is now working for the Canadian National Construction Company, Winnipeg.

It is also stated at the foot of the Inspector's report of the 17th ultimo that the entrant is expected back this Spring.

As there is a possibility that the duties have been completed I would suggest a final notice to all known addresses, allowing the entrant thirty days to submit a satisfactory application for patent, failing which cancellation should be carried out.

The applicant for cancellation has been pressing and is anxious to get on the land this Spring.

MEMORANDUM:

S.W.¼ 12--25--3 W.4th Mer.
Soldier grant - Daniel Kennedy
Entry granted - 30th June, 1920.

Please refer to the Acting Deputy Minister's memorandum dated the 25th of February, 1926, (marked) and your memorandum dated the 4th ultimo (marked).

The required reports have now been received and the details are set out in Mr. Davidson's memorandum hereunder.

On examining the evidence set out in Mr. Kennedy's application for patent for his homestead, the South-East quarter of the section, I find that after deducting the residence required to earn patent for such homestead there was one full period of six months and one period of five months and twelve days which can be credited to the duties required in connection with Mr. Kennedy's soldier grant, provided calendar years are counted. See form No. 58 marked. At the time Mr. Kennedy applied for patent for his homestead, i.e., the 12th of June, 1914, he was in residence upon the land and it is quite probable that after making application for patent he continued to reside there for some time as he did not enlist for active service until the 22nd of June, 1916. Inspector Nurcombe's reports in regard to residence have been far from satisfactory and even in his latest report of the 17th ultimo he does not refer to any residence prior to the year 1920, while his statements in regard to residence performed in 1920 and subsequent years consist of the words "Fall to Spring", which might mean either more or less than a term of six months.

It seems probable that Mr. Kennedy completed at least two terms of residence and possibly a full three terms before he enlisted.

If the terms, Fall to April 15th and Fall to Spring, are accepted as signifying a period of six months residence then Mr. Kennedy has fully completed the requirements with respect to residence

Please see Mr. Hume's memorandum of the 8th instant, on File #2117786, herewith, also see your memorandum of the 25th February last to expedite the Inspector's report and have your office advised of whatever action was taken in the case.

The Inspector's report forwarded under cover of the Agent's letter of the 27th ultimo shows the cultivation requirements to have been fully completed but the statements therein are unsatisfactory with respect to the manner in which the residence duties have been performed and the Agent should be reminded of his instructions to report the actual periods of residence performed by a settler.

After a careful review of all the information before the Department in connection with this case, it would appear there is a possibility that the settlement conditions attached to the soldier grant entry have been fully completed. Therefore, I concur in Mr. Hume's recommendation that the entrant be allowed a final thirty days to make application for patent supported by the evidence of two witnesses showing full compliance with the conditions of entry, with a warning that should he fail to do so cancellation of the entry will be carried out.

Dear Sir:-

Some time ago I left with you a communication which I received from Mr. Sales of Tantallon, Sask., making enquiries regarding Hudson Bay lands re-transferred to the Crown. I also left some papers which I received from Mr. Fraser of Fraserton, Alta., regarding a pre-emption that his father is presumed to have bought from the original entrant. You will remember that you asked me to secure some evidence of this transaction.

If you are in a position to give a decision on this matter, I would appreciate the information at your earliest opportunity.

On the 28th of February you wrote me regarding the request of Mr. Boulter of Acadia Valley, Alta, regarding the S.W.¼ Section 12, Township 25, Range 3, West 4th M. In this communication you stated that the Inspector was requested last July to make a further report and that such report had not been received by you, but that you were wiring the Agent of Dominion Lands at Calgary asking him to have the report furnished immediately.

If this report has been received, I would be pleased to have your decision regarding this matter. I am desirous of clearing up these matters at the earliest opportunity and would appreciate very much an answer in the near future.

Mr. Hume.

S.W.¼ 12-25-3-W. 4th M.
Soldier Grant - Daniel Kennedy.
Entry granted 28th June, 1920.
Cancellation proceedings outstanding.

A report has been asked for in this case under the Deputy Minister's reference No. 8498.

This land was formerly Mr. Kennedy's pre-emption but on return from active service he abandoned same and took it up as a soldier grant.

He obtained patent for his homestead, and after deducting the residence required for his homestead he had at that time one full period of six months and one period of five months and twelve days which could be credited to him in connection with his soldier grant. At this time he claimed to be still in residence on the land and it is possible that after applying for patent in June, 1914, he resided thereon for some time as he did not enlist until the 22nd June, 1916.

The Department has had Inspector Nurcombe report in this connection but his reports have not been satisfactory as he does not refer to any residence prior to the year 1920, while since this date he gives the entrant credit for residence during the winters of 1920-1921, 1921-1922 and 1922-1923 but gives no dates, simply stating from Fall to Spring (See Form 55 marked).

The cultivation duties have apparently been performed in a satisfactory manner and from the evidence submitted it was considered possible that he had completed the residence duties as well.

When cancellation proceedings were instituted against his entry on behalf of Mr. A.C. Boulter on the 5th March, 1925, Mr. Kennedy failed to file a defence but as the notice was merely addressed to Winnipeg, Manitoba, it was considered probable that he had not received the notice of these proceedings and in view of the fact that there was a possibility that the duties had been performed it was decided on the 10th April last to allow him a final period of thirty days to make application for patent supported by the evidence of the witnesses. This notice was sent to him and

Mr. Buttle
Gentlemen:-

Re Daniel F. Kennedy,
[illegible]

I have your declaration of the 20th ultimo but as I am unable to find any trace of a lien for $40.00 in connection with this land, and Mr. Kennedy's declaration enclosed gives no information as to the name of the owner or the land specifically mentioned in the lien itself, it will be necessary for me to now communicate with the Registrar in an effort to get enough information to identify encumbrance and arrange for its removal if in order.

Your obedient servant,

P. Hapgood,

Re Daniel F. Kennedy.
Sale of NE-[illegible]-10-1 West

I am in receipt of a request from Mr. Daniel F. Kennedy, Veteran, Alta., for the removal from the title to the above described land of a lien for $40.00 the date of which he says is the 20th December, 1916.

As I have absolutely no record of any lien for this amount which should encumber the land in question, I would esteem it a favour if you would kindly look up your records and let me have, if possible, a description of the land recited therein as security together with the date, the name of the maker, and how it is made up if it consists of more than one item.

I the undersigned Aaron Hubert Boulter, Farmer, residing at Acadia Valley, Alta.

Do solemnly swear that the following statements hereto are true & accurate in every particular.

That Mr. D. Kennedy has not resided on his land (Viz.) the S.W.¼ S.12, T. 25, Range 3, W. of the 4th Meridian, during the period stated in his sworn evidence, namely as follows -

1st year 15th Sept. 1920 to April 1921.

1st Sept. 1921 to Nov. 23rd 1921 & then closed for the winter & all school equipment etc. left in building intact. School started again on March 15th 1922 to Nov. 30th 1922 when it was closed again for the winter.

Also that one of the sworn witnesses for Mr. Kennedy was absent from Canada altogether from the fall of 1921 & stayed away until the harvest of 1922 & the other witness was 300 miles away from this district from the time of Sept. 1921 until New Years day 1922.

And further that the land in question has no other buildings at all on the land & consequently Mr. D. Kennedy did not sleep on his own buildings as stated.

In conclusion, according to Mr. Kennedy his duties were completed in May 1923, it has however taken between 3 & 4 years to get his witnesses.

Robert Gardiner, Esq., M.P.

Dear Sir,

I am in receipt of your letter of the 18th Feby. also a letter from the Acting Deputy Minister of the Interior, many thanks for same.

Please find enclosed sworn statements which I trust will be made good use of. I have written to the Paymaster of the Canadian National Rly. at Winnipeg for information as to the employment of Mr. D. Kennedy on & between the dates given in the testimony. I will send reply immediately upon receipt. I mentioned in one or more of my previous letters that the land was held by a family named Gibson, well Mr. McGhee is a son in law, so you can draw your own conclusions how it is being carried out, I am afraid that Mr. Thurston has not had the case fully explained to him or he would not have signed the paper, you will understand better when you have read the attached papers. As a trustee of this School District No. 4059 I examined the books & found a contract or paper in Mr. D. Kennedy's own hand writing addressed indirectly to the trustees (pl. see sworn statement). Inspector Willington Yake of the Educational Dept. Edmonton visited this locality before the school was opened & made a list of furniture etc. required & again visited the following year. The building or school house was insured with the Scottish Canadian Ass. Co. Winnipeg for $600 for 3 years. The building is only a one roomed shack about 12X14 or 14X16 comprising ground floor only, it can easily be seen that it was not used as a residence during the time it was occupied as a school & it has not been occupied since, there are no other buildings of any description on the land, how can he claim residence there in face of his own hand writing letting it for school purposes, the porch mentioned was put on in lieu of rent I believe, see cost of same on sworn statement. Other witnesses might have been obtained if an extended time limit had been fixed, as I only received your letter on Feb. 26th so you see there is no time to be lost. There is also a difficulty as so many people have left the district in fact if I travelled now the road adjoining my property it is about 4 miles to the nearest house & about 6 to 8 miles is the closest on the W.

My son who has made the sworn statement lives close by in fact his land adjoins the land in question.

I think there is already sufficient on paper for putting up a big fight, I must however leave that to you & I have the confidence that you will bring it to a successful close.

Should you however want further proof of the inaccuracies given by witnesses kindly let me know.

MEMORANDUM:

Mr. Greenway.

Re: S.W. ¼ 12-25-3-W. 4th M.
Daniel Kennedy.

There has been attached to file a statement from Mr. A.C. Boulter of Acadia Valley, Alberta, in which he represents that the entrant has not performed the duties essential for the issue of patent.

In view of this statement it has been decided to have an investigation by J.A. Bannerman who should be asked to go most carefully into the circumstances, interviewing the residents of the district who are in a position to furnish him with facts. Particular care should be taken to interview Mr. A.C. Boulter and to obtain from him all details in his possession.

A comprehensive memorandum of the information contained in the departmental papers should be supplied Mr. Bannerman who might consult the agency files before he visits the district. When the report is received, will you kindly bring it to the attention of this Office.

Deputy Minister.

homestead.

It would appear that after deducting the residence required to earn patent for the homestead, Mr. Kennedy might be credited in connection with his soldier grant with one full period of six months residence and one period of five months and twelve days. You will observe on looking at form No. 58C that the settlement duties claimed in the application for homestead patent are indicated by the mark "X" in black, and the residence required for the earning of patent for the homestead is shown hatched in red. It would seem that Mr. Kennedy was in actual residence when he applied for homestead patent and it is quite probable that he afterwards continued to reside on the land for some time as he did not enlist until June, 1916. The reports furnished by Homestead Inspector Nurcombe are unsatisfactory as the information affords no definite clue as to the facts.

Mr. Kennedy made application for patent for his soldier grant on the 4th May, 1926, and the residence claimed has been indicated by the mark "X" in red. It will be seen that this evidence is more or less in conformity with the residence credited him by Homestead Inspector Nurcombe in his report of March, 1926, previously referred to.

The application for patent is supported by the evidence of Melvine M. McGhee of the North West quarter of Section 22, Township 25, Range 2, West of the 4th Meridian, and Arnold J. Thurston of the South East quarter of Section 25, Township 25, Range 3, West of the 4th Meridian.

Certain evidence has been submitted by Mr. A. C. Boulter, the applicant for cancellation, which would tend to undermine the evidence otherwise furnished, and the object of the investigation is to establish the facts. You will find enclosed copy of the evidence submitted by Mr. Boulter which will be of assistance to Mr. Bannerman in arriving at his conclusions.

Please let the Department have your report in

MAR 17 1927

OTTAWA, 15th March, 1927.

Sir,

Re S.W.¼ 12-25-3-W.4th M.
Soldier grant - Daniel Kennedy.
Entry granted 30th June, 1920.

I am directed to say it has been decided to have an investigation by Mr. J. A. Bannerman in relation to performance of settlement duties by Daniel Kennedy in connection with his soldier grant, above mentioned, and in order that he may clearly understand the situation, the following particulars are submitted:-

Mr. Kennedy made homestead and pre-emption entry for the South half of Section 12, Township 25, Range 3, West of the 4th Meridian, on the 6th April, 1910. Patent for the homestead was applied for on the 12th June, 1914, and on form No. 58C herewith a statement of the duties claimed has been embodied. Letters patent for the homestead issued on the 14th August, 1914.

Mr. Kennedy enlisted for active service with the Canadian Expeditionary Force on the 22nd June, 1916, receiving his discharge on the 26th September, 1917. He qualified for entry under the Soldier Settlement Act and on the 12th May, 1920, abandoned his pre-emption entry and re-entered for the South West quarter of Section 12, Township 25, Range 3, West of the 4th Meridian, as a soldier grant, thereby suffering the loss of credit for his military service.

Cancellation proceedings were instituted on the 5th March, 1925, on behalf of A. C. Boulter of Acadia Valley, Alberta, and a report by Homestead Inspector Murcombe dated the 25th April, 1925, indicated that Mr. Kennedy had performed no residence and had no improvements, with the exception of forty acres picked of rock, value $70.00. However, the entry was protected for the time being and a further report called for in order that the entrant might be interviewed and his intentions ascertained.

A further report by Homestead Inspector Murcombe dated the 17th March, 1926, credited Mr. Kennedy, on information supplied by Mr. T. Gibson of the South West quarter of Section 18, Township 25, Range 2, West of the 4th Meridian, with residence from fall to spring during the years 1920-1921, 1921-1922, and 1922-1923, when it was stated that he moved to his

Sir:

Please find attached declarations from Messrs. A.H. and A.C. Boulter. I asked several other settlers for declarations, but they stated they were unable to give any definite dates as to residence.

I interviewed Mr. T. Gibson, Acadia Valley P.O., who informed me that Mr. Kennedy had paid him to break and crop 30 acres on above mentioned land. As it was too dry last spring, he was unable to break same -but will do so this fall if it rains sufficiently.

Attached please find application for Patent. I did not get same witnessed on account of the 30 acres (mentioned having been paid for) not being done.

In the fall of 1920 he returned and lived in the shack on the SE. 12-25-3, W.4 all winter 1920-1921. In the fall of 1921 I moved the house to the south side of the quarter for use of the School District, and from that time Mr. Kennedy has done no residence that I know of, although he has been in the district, staying with Mr. T. Gibson.

In witnessing the application for patent, I certainly never intended to state that Mr. Kennedy had lived on his Soldier Grant. He never lived there one day. It was evidently a mistake in putting down the evidence. Mr. Kennedy is almost stone deaf and has evidently not understood what was said re the application for patent.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of *The Canada Evidence Act*.

do solemnly declare that I accompanied Mr. Dan Kennedy when he made application for the transfer of his pre-emption on SW. 12-25-3, W.4th. to a Soldier Grant and distinctly remember that the clerk who dealt with us stated after hearing theresidence that had been put in on the homestead that no further residence was required to obtain patent for the Soldier Grant. Mr. Kennedy lived on his homestead SE. 12-25-3, W.4th. after applying for patent continuously until he went to the war in 1916, in fact continuously from date of entry to enlistment except for threshing in the fall. I was in residence from 1911 until the fall of 1915 and have been back here since the spring of 1917. My wife was here continuously After the war Mr. Kennedy stayed for four or five months with Mr. T. Gibson; Kennedy's shack had been moved by Mr. Wm. Mr. Dan Kennedy lived on the SE. 12-25-3, W.4, continuously from June, 1912 until he enlisted in 1916 and in that year after enlisting came back on leave to take off his crop, his residence was continuous except for short periods working out at threshing or assisting neighbours and I am convinced that he had done sufficient residence duties to prove up both quarters before he enlisted. He never lived on the SW. 12-25-3, but after the war he did return and helped him to clear the stone off about 40 acres on the SW. 12. He was in the district during the winters of 1920-1921, 1921 & 22, and a month or so in the fall of 1923, but I cannot say he was on his homestead all the time in fact some of the time he lived with me. reduction would be made.

Mr. McGhee was very emphatic in stating that he and Mr. Kennedy were informed when abandoning the pre-emption that no further duties would be required on the Soldier Grant, and I believe this to be correct.

In conclusion I find (1) that the application for patent for the SW¼ 12-25-3, W.4th, is entirely fraudulent, but possibly owing to an error. (2) that possibly if residence had been claimed between June 12th, 1914 and June 22nd, 1916, patent could have issued. (3) that although I gravely doubt whether Mr. Kennedy ever lived on SE¼ 12 in the sense of actually sleeping in his house, a sufficient time to earn patent either to the homestead or Soldier Grant, there appears to be no doubt that he made it his home, except during threshing and was actually in the vicinity during the period from June, 1911, to June, 1916.

I may say that Mr. Kennedy is now over seventy years of age and exceedingly well thought of throughout the district.

Your obedient servant,

H. G. Cuttle, Esq.,
Supt. Western Land Agencies,
E d m o n t o n,
ALBERTA.

As to the witnesses, Messrs. McGhee and Thurston, Mr. Inspector Nurcombe states most emphatically that in taking their evidence he made it perfectly plain that Mr. Kennedy was claiming actual residence on the SW¼ 12 during 1920 to 1923, and that they swore to this residence. I believe they thought Mr. Kennedy had sufficient residence duties done on the SE¼ 12 prior to his enlistment and witnessed his application for the SW¼ 12 rather than cause delay and confusion although they knew he had never lived on the SW¼.

The cultivation duties are not in dispute, they are sufficient to prove up both quarters.

As to the residence duties I find Mr. A. C. Boulter's charges abundantly proved, I have examined the records of Wheatland School District No. 4059 and find Mr. Boulter's statement correct. The application for patent for the Soldier Grant SW¼ 12 is entirely false, Mr. Kennedy never lived on the land and in spite of statements made to Inspector Nurcombe, there never was a building on the SW¼ 12, and is not at the present time, the house has always been on the SE¼ 12 although moved several times. During the summers of 1915 and 1916 when Mr. Keena (N½ 12-25-3, W.4th.) and Mr. Kennedy were working their land together, the house was moved up close to the line, and according to Mr. Gibson, Mr. Kennedy boarded with Mr. Keena but slept in his own house. Mr. Boulter states that Mr. Kennedy both boarded and lived with Mr. Keena. However as the house was moved, it would appear reasonable to believe that Mr. Kennedy made use of it, as Mr. Keena had a wife and family and his house is small. Unfortunately Mr. Keena died a short time ago, so his evidence was not available.

Mr. Boulter stated that he did not desire to call in question residence claimed prior to June 12th, 1914, as he considered that Mr. Kennedy had performed as much residence as most bachelors in the district, that is had lived in the district working partly for himself and partly for other farmers within a few miles of his land and sleeping at various places, but this was generally considered satisfactory residence among settlers in the district. But after 1914 he was positive that Mr. Kennedy never slept in his own house.

The matter resolves itself into a case of the credibility of the witnesses, three, Messrs. Gibson, Thurston and McGhee definitely swear actual residence was performed from 1914 to 1916, while Mr. Graham while unable to swear to actual dates, is of the opinion that residence was performed as he knows Mr. Kennedy was in the district continuously. Messrs. Thurston and McGhee have both previously made false statements. Mr. Graham is naturally anxious to have patent registered as no taxes have been paid on SW¼ since it was filed on in April, 1910, and should entry be cancelled, the Municipality would be unable to collect.

Mr. A. H. Boulter impressed me very favourably, but I asked Mr. A. C. Boulter if he would be prepared to pay the seed grain indebtedness should his application for cancellation succeed and he stated that the matter would have to be given serious consideration, but that he was in hopes that under the new act a

reduction would be made.

THE SUPERINTENDENT OF AGENCIES
EDMONTON ALBERTA

29th April, 1927.

Sir,

With reference to H. O. files 2117786 and 2111250 and the Commissioner's telegram of the 20th instant, in accordance with your instructions in the absence of Mr. J. A. Bannerman out of reach on other duty, I proceeded to Acadia Valley to investigate the complaints that Mr. Dan Kennedy had not performed his settlement duties on his Soldier Grant, SW¼ 12, Tp. 25, Rge. 3, W. 4th Meridian, for which patent has issued to him.

I submit affidavits from Mr. D. M. Graham, Secretary-Treasurer Municipal District of Acadia; Thomas Gibson, SW. 18-25-2, W.4; Arnold J. Thurston, SW. 12, Tp. 25, R. 3, West 4th Meridian; M. McGhee, NW. 22-25-2, W.4th; (the last two named being the witnesses for Mr. Kennedy when he applied for patent) and Mr. A. H. Boulter of West ½, 1-25-3, W.4th Meridian. I also met Inspector Nurcombe in Calgary and discussed the case with him.

Mr. Kennedy has for some years been working every summer with the steam shovel gang of Mr. J. Cummings for the Canadian National Railway, and I have ascertained from the Construction Department of the Railway Company that this gang is now working on the Hudson's Bay Railway and I am therefore unable to get into touch with Mr. Kennedy.

All parties interviewed agree that Mr. Kennedy is almost stone deaf, but that he has some skill in lip reading when speaking with persons with whom he is well acquainted, that he is sensitive regarding his affliction, and prone to answer "Yes" when he has not heard or understood whatever has been said to him. He can neither read nor write except for signing his name after a fashion. After discussing the case with the Calgary officials, I have come to the conclusion that probably in making his application for patent for his Soldier Grant Mr. Kennedy misunderstood the questions put to him when claiming residence on his Grant during portions of 1920 to 1923, or did not know that he could claim residence on the homestead prior to the war, as applicable on the Soldier Grant after abandoning his pre-emption entry for the SW¼ 12-25-3, W.4th, and re-entering for the land as a Soldier Grant, although he did understand that he would suffer the loss of his military services.

Soldier Grant - Daniel Kennedy.
Entry granted 30th June, 1920.

With reference to yours of March 15th, files Nos 2117786 and 2111250, asking me to have Mr. Bannerman of my office investigate the matter of settlement duties performed by the above man in connection with his Soldier Grant, I beg to say that on April 20th I received a telegram from the Commissioner asking that this matter be given immediate attention. As Mr. Bannerman was at that time in Winnipeg I thought it advisable to instruct Mr. Clarke of my office, who was in the city, to visit the district, go into the matter carefully and submit a report. He has now done so and you will find attached copy of same, together with several sworn statements that he secured from settlers in the district.

I trust the Department will be able to arrive at a decision in the matter, after perusal of the report and statements.

REMARKS

Kennedy states that he remained in residence until he enlisted. If this were the case he has made a mistake in the residence as according to the militia Dept he enlisted in 1916, not 1915. If he remained in residence until May 1916 he had sufficient residence prior to enlistment, as it is he appears to have two years to be credited

Date 191

that the Department would be well advised in overlooking the apparent shortage of two months in the third term of residence performed prior to enlistment, viewing it as probable that the entrant remained in residence until May 1916, and granting him patent forthwith.

There is no question as to the cultivation duties, there being 80 acres or more under cultivation on the homestead (which is stated to be still owned by Mr. Kennedy) and 30 acres on the soldier grant, recently undertaken by Mr. Thomas Gibson of the S½ of Section 18, Township 25, Range 2, West 4th Meridian, who has the Kennedy half-section in crop on shares.

C.N.E.

"the loss of his military service."

The writer pays tribute to the excellence of the report and the every care taken by Mr. Clarke in securing his material. However, it should be pointed out that possibly sufficient emphasis has not been placed upon the evidence of residence performed on the homestead prior to enlistment. In any event, Mr. Kennedy would appear to be entitled to credit for two terms of six months' residence and four months on the third term, apart from the residence required for the earning of patent for his homestead. Moreover, should it transpire that he remained in residence until May 1916 he would have more than sufficient to meet the requirements for his soldier grant.

Possibly this phase of the case was not sufficiently stressed in the letter of instructions of the 15th March last, for which I am responsible, and that too much emphasis was placed on the alleged residence subsequent to date of entry for the soldier grant. In any case, Mr. Clarke does not seem to have probed the earlier residence which, in any event, would be rather difficult after so long a time.

Inspector Clarke states that Mr. Kennedy is now over seventy years of age (actually sixty-seven, if the homesteader's statement at date of entry can be depended upon) and that he is exceedingly well thought of throughout the district. The Inspector states that he was also favourably impressed by Mr. A.H. Boulter (evidently a son of the applicant for cancellation).

Taking all factors into consideration it would appear that Kennedy has the stronger claim in view of the evident good faith shown in the performance of his residence duties prior to enlistment, which, in any case, have been completed with the exception of a shortage of two months and which may, in fact, have been completed but not established owing to lack of sufficient evidence.

If it is considered worth while a further investigation could be made with regard to the residence prior to enlistment, but I imagine if the situation is explained to Mr. Boulter that Mr. Kennedy completed his residence duties to all intents and purposes prior to his enlistment, he (Boulter) would abandon the contest.

The land appears to be of very little value, Mr. Boulter himself having on one occasion (February 1923) stated that the quarter-section is not worth more than half the amount of the seed grain indebtedness charged against it (at that time approximately $500.00) and according to one Inspector, while all the land is cultivable it is too dry to farm. On the other hand, Mr. Boulter appears to be of a desirable type. He has missed one opportunity elsewhere and was particularly anxious to get this quarter-section as a homestead. He also has six sons whom he wishes to locate. However, Mr. Kennedy for a man of his age is to be commended for having enlisted, but for which no question would likely arise as to his residence, and taking all the facts into consideration I am of the opinion

that

homestead from the 1st January, 1914, to May 1915, when, he states, he enlisted.

Whereas according to a report from the Military Authorities, Mr. Kennedy enlisted on the 22nd June, 1916, it is apparent that he has made a mistake in his evidence, unless, by any chance, he made a previous enlistment of which the Department has no record, in other words, it is possible that Mr. Kennedy remained in residence until May 1916 instead of May 1915. If this is not the case there is no explanation as to what he did between May 1915 and June 1916.

I have set out on form #58 hereunder, the actual residence claimed by Mr. Kennedy on his homestead prior to enlistment, together with details of his military service. In addition to this, however, Mr. Kennedy claimed in his application for patent for his soldier grant the following further residence on his homestead:-

15th September, 1920, to April 1921 - (6½ months)
15th September, 1921, to April 1922 - (6½ months)
15th September, 1922, to May 1923 - (7½ months).

This is the residence called into question by Mr. Boulter, and it may be observed in passing that the entrant does not claim the residence on his soldier grant, which, of course, tends to weaken the case in so far as Mr. Boulter is concerned who must be aware of the fact that the holder of a soldier grant may performed the residence duties on his homestead in the vicinity.

In any case it was decided to place the matter in the hands of Mr. Cuttle for investigation and report by Mr. J.A. Bannerman.

Mr. Cuttle has now submitted a report by Mr. H.W. Clarke of the Timber Office, Edmonton, who has investigated the matter in the absence of Mr. Bannerman on duty elsewhere, and summarizing the evidence it appears that the facts with regard to the alleged residence since 1920 have been misrepresented. Unfortunately, Mr. Kennedy could not be interviewed as he is stated to be working at present on the Hudson Bay Railway.

However, in extenuation of the case, Mr. Clarke reports that -

"All parties interviewed agree that Mr. Kennedy is almost "stone deaf, but that he has some skill in lip reading "when speaking with persons with whom he is well acquainted, "that he is sensitive regarding his affliction, and prone "to answer 'Yes' when he has not heard or understood "whatever has been said to him. He can neither read nor "write except for signing his name after a fashion. After "discussing the case with the Calgary officials, I have "come to the conclusion that probably in making his "application for patent for his soldier grant Mr. Kennedy "misunderstood the questions put to him when claiming "residence on his grant during portions of 1920 to 1923, "or did not know that he could claim residence on the "homestead prior to the war, as applicable on the soldier "grant after abandoning his pre-emption entry for the SW¼ "12-25-3, W.4th, and re-entering for the land as a soldier "grant, although he did understand that he would suffer

Cancellation proceedings pending -
A. C. Boulter - 5th March, 1925 (abandoned).

Re S.E.¼ 12-25-3, W.4th M.
Homestead - patented 14th August, 1914.

In this connection please see the Deputy Minister's memorandum of the 10th March last, calling for a report in this case.

Daniel Kennedy made application for patent for his soldier grant on the 4th May, 1926, and according to the evidence submitted the duties would appear to have been completed in accordance with the regulations. Accordingly, the application for patent was accepted and Mr. Kennedy was advised on the 24th January last.

On being informed of the abandonment of cancellation proceedings, Mr. A. C. Boulter evidently made unofficial representations to the Department. In any case, on the 15th February last, the Acting Deputy Minister gave Mr. Cote instructions to withhold delivery of patent, it being stated that there was a possibility of evidence being furnished to the effect that Mr. Kennedy has not completed the residence duties for the earning of patent. Action was taken accordingly.

In due course Mr. Boulter submitted evidence to the effect that the statement of the entrant that he resided on his soldier grant in 1920, 1921, 1922 and 1923 is false; furthermore, that the building he claims to have occupied was used as a temporary school house with his full consent during a portion of the period he claimed residence.

In support of the foregoing the Department was furnished with a copy of a letter alleged to have been signed by Mr. Kennedy consenting to the use of his shack for a school house, permission also being given the School Authorities to "move it where you like."

Mr. Kennedy made entry for his homestead and pre-emption on the 6th April, 1910, and applied for patent apparently on the 12th June, 1914, but according to the evidence submitted, sufficient residence for the earning of patent was completed on or before the 1st July, 1913.

Mr. Kennedy served Overseas and on his return converted his pre-emption into a soldier grant (30th June, 1920) and in his application for patent he claimed residence on h'

homestead.

MEMORANDUM:

Mr. Cory. Re - S.W.¼ 12-25-3-W.4th M.
Soldier Grant - Daniel Kennedy.

Please see Mr. Powell's memorandum of the 6th instant, on File #2117786, herewith, also see your memorandum of the 10th March last, to have this case investigated by Mr. J.A. Bannerman and on receipt, his report brought to the attention of your office.

According to that report and sworn statements attached thereto from settlers in the vicinity, it is clearly established that Mr. Kennedy has no residence to his credit since his discharge from overseas service. Accordingly, the question arises as to whether he performed sufficient actual residence before date of enlistment to satisfy the requirements of his entry.

A perusal of the correspondence and also the evidence submitted in the case would point to the fact that the residence performed by Mr. Kennedy previous to going overseas was continuous to date of enlistment which would, as pointed out by Mr. Powell, be sufficient for the earning of patent, and after careful consideration of all the information now in the hands of the Department, I would recommend that the residence duties be accepted as sufficient and action taken with a view to the issue of patent.

MAY 19 1927

Sir,

Re S.W.¼ 12-25-3-W.4th M.
Soldier grant - Daniel Kennedy.

I am to acknowledge your letter of the 30th April last, enclosing report of Inspector Clarke in reference to the soldier grant of Daniel Kennedy, and in reply to say although it is apparent that Mr. Kennedy is guilty of misrepresentation with regard to residence since his discharge from the army, it is on the other hand evident that he completed the duties in that regard prior to enlistment.

This tends to change the complexion of affairs entirely and under the circumstances it has been decided on the evidence before the Department to accept proof of duties as sufficient to entitle Mr. Kennedy to patent, and action will be proceeded with accordingly.

Your obedient servant,

J. M. ROBERTS

A search of the title to the S.W. 12-25-3-4 shows same to stand in the name of an individual other than the debtor, the Crown liens a first charge thereon.

Taking into consideration the information set out it is my recommendation that the offer of Twenty-five dollars ($25.00) for a release of the liens from the title to the S.E. 12-25-3-w.4th be accepted, the balance of the account being retained as a charge on the S.W. 12-25-3-w.4th pending a further application for settlement.

Dear Sir:

Re: Alan Kennedy

Dominion Advances

The above party obtained the following federal advances giving as security liens on the titles to the above land.

Relief 1915	325.00
Fodder 1915	104.00
Fodder 1915	48.00
Fodder 1915	40.50
Seed Grain 1915	175.20
	393.00
Interest to March 31st,1952	668.29
	$ 1,031.99

I have been approached with a request for a release of these liens in so far as the title to the S.E. 12-25-3-W.4th is concerned.

A search letter discloses that the title to the S.E. 12-25-3-4th is subject to a mortgage in the amount of Two thousand dollars ($2,000.00) registered in 1914 prior to the Crown liens. The debtor is deceased and the solicitors for the beneficiary, who is a sister of the deceased advises that their information from their agent in Massachusetts is that she has practically no means of her own.

This particular parcel of land is assessed at One thousand eight hundred and twenty dollars ($1,820.00) for taxation purposes and the solicitors have placed a maximum value on same of Two thousand four hundred dollars ($2,400.00). The arrears amount to Two hundred and forty-six dollars and thirty cents ($246.30) and with the amount owing under the mortgage, which consisted of principal together with several years' interest, the total owing is very considerably in excess of the value of the land. In view of this the solicitors have tendered the sum of Twenty-five dollars ($25.00) for a release of the Crown liens from the title to this parcel.

Re: Account of Dan Kennedy,
S.W.¼ 14-25-3-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Dan Kennedy received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,079.71 of which $363.60 is principal and $716.11 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, youushould write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

RE: Account of Dan Kennedy
S.W. ¼ 12-25-3-W.4th

In a letter dated February 15 you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which was advanced to Mr. Dan Kennedy by the Federal Government in the year 1915. The amount outstanding is $1079.71 of which $363.60 is principal and $716.11 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts, and in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

G.K. LeCapelain,
Chief,

Re: Account of Daniel Kennedy
S.W.¼ 12-25-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $363.60 were advanced to Daniel Kennedy on the security of the above-mentioned land. A payment of $25.00 was received in 1953 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$363.60	$797.90	$1,161.50

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Re S½ 8-71-7-6 W.

Referring to your application for patent for the above described land, I am to inform you that the evidence submitted does not show that you have complied with the terms of your entry by performing the requisite residence.

The application for patent shows the performance of five months' residence only in each of the homestead years 1911-12; 1912-13; and 1913-14, whereas the homestead regulations require the performance of six months' residence in each year. The only full period of residence completed was in the homestead year 1914-15.

When you will have completed two further periods of six months' residence on the land, you may again appear before the Agent of Dominion Lands at Grande Prairie with two competent witnesses and execute a supplementary statement in support of your application for patent.

The application for patent shows the requisite cultivation duties completed.

Department of the Interior,

DOMINION LANDS AND CROWN TIMBER OFFICE,

Grande Prairie, October 10th/916.

Sir:-

Referring to your letter of the 29th ultimo, ref.#2121475, to Mr. Stonewall Watson, informing him that it would be necessary to complete two more periods of six months residence on the S.½ of Sec. 2, Tp. 71, Rge. 7, W. of the 6th Meridian for which land he has applied for patent. I now beg to enclose herewith a statement on form #58 which shows the residence performed on this land and on his other scrip the W.½ of Sec. 1, in the same Township, from which you will observe that he has never been absent from one or the other of these lands since the 7th of November 1911 to date of application for patent, except these three trips out for supplies. I may say that I have known Mr. Watson personally since I came to this office in 1911. He and his brother own between them about 100 cattle and 50 horses and perhaps more and are experienced stock men and farmers and not speculators in any sence of the word, and I certainly believe these trips were necessary to enable Mr. Watson to carry on his farming operations, and I would therefore request that his application for patent receive your further consideration and if possible the residence be accepted as it now stands. These men are the people I believe should be given all consideration as they are a credit to the country.

Your obedient servant,

Secretary,
Department of the Interior,
Ottawa.

MEMORANDUM:

Mr. Hume,

COMMISSIONER
OCT 30 1916
DOMINION LANDS

Application for patent,
Mr. Stonewall Watson.
For the S.½ of 2-71-7, W. 6th M.
V.B.L.G.
Not recommended.

This man made application for patent on the 18th of July, 1916, and in his evidence claimed one full term of residence but was short one month in the first term and 27 days short in the second term. The time he was absent he claimed he was out for supplies.

The Homestead Inspector's report, which accompanied the application for patent, stated that the residence of Mr. Watson was somewhat broken by trips made out for supplies. These trips were absolutely necessary to enable Mr. Watson to carry on farming operations on his Scrip and on his homestead.

On the 29th of September, Mr. Watson was informed that it would be necessary for him to complete two further periods of six months residence on the land. The Agent now writes and sends down Form 58 showing residence on Mr. Watson's two scrips and points out that the latter has never been absent from one or the other lands since the 7th of November, 1911, to the date of application for patent, except these three trips out for supplies.

The Agent also states,-

"I may say that I have known Mr. Watson personally since I came to this office in 1911. He and his brother own between them about 100 cattle and 50 horses and perhaps more and are experienced stock men and farmers and not speculators in any sense of the word, and I certainly believe these trips were necessary to enable Mr. Watson to carry on his farming operations, and I would therefore request that his application for patent receive your further consideration and if possible the residence be accepted as it now stands. These men are the people I believe should be given all consideration as they are a credit to the county."

I might point out that it has been the practice of the Department to accept the residence as satisfactory where the time absent from the homestead was made in

Land claim filed in 1910, patent received in 1914
Harry B.Duncan, Jr. and his wife, Jeannette Duncan
and their daughter, Vera Duncan (who died 1918).

Dear Mr. LeCapelain:

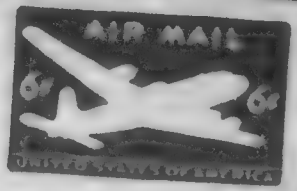

I am most anxious to know what I can of information shown on the application for the above claim by Harry B. Duncan, Jr. who in 1910 was married to my mother's sister, Jeannette Russell Duncan and both of whom had one child, Vera Duncan.

What right if any would the wife have in such a claim. Harry Duncan and Jeannette Duncan were divorced in 1915, and custody of the child Vera was given to the mother, Jeannette. Mr.Harry Duncan was murdered at Aberdeen Washington in 1924, and no record of this land is in his uncompleted probate. The child Vera died in 1918, but of course the mother Jeannette would have been an heir of the child.

Any information you can give me will be appreciated.

Sincerely,

Claudia Walker.

Dear Miss Walker:

I have your letter of the 8th of April, 1956, relative to your enquiry as to information concerning Mr. Harry B. Duncan.

In reply, I wish to inform you that our records disclose that one Harry B. Duncan applied for homestead entry on the 23rd of April, 1910, for the Northeast quarter of Section Thirty-six, in Township Thirty-one, Range Eight, West of the Fourth Meridian, in the Province of Alberta.

In his sworn statement dated the 3rd of October, 1913, in support of his application for Patent for the above-mentioned land gave his age as 37 years. He also stated that his family consisted of his wife and one child. The ages or names are not shown in our records. Letters Patent were issued in his name on the 12th of March, 1914, and were forwarded on the 3rd of April, 1914 to the Registrar, Land Titles Office, Calgary, Alberta.

Referring to your second paragraph, I may say that this Department has no interest whatever, subsequent to the date of issue of Letters Patent. ~~Therefore, this would appear to be a matter which would require legal advice.~~ If you wish to learn the present owner of NE36-31-8-W4 you could obtain an abstract of the title from the Registrar, Land Titles Office, Calgary Alta. In the event that the late Harry B Duncan still owned this quarter section at the time of his death, it would form part of his estate and you should obtain local legal advice as to the claims of the different heirs.

Re: Account of A.E. Hornett
N.E.¼ 28-31-4-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. A.E. Hornett received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $182.60 of which $59.84 is principal and $122.76 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land of other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

I wish to acknowledge your letter of the 15th instant in which you set out particulars regarding your present circumstances and it would appear that you wish to submit these circumstances for consideration for a compromise settlement of the above mentioned account.

It is our understanding that the Federal Department of Northern Affairs and National Resources are communicating with all debtors appearing on their records with a view to making settlement of the outstanding accounts.

There are now two channels through which your settlement of this account can be negotiated, this being direct with the above mentioned Department at Ottawa or through the Seed Grain and Relief Adjustment Board for Alberta in which case this office would handle negotiations. We will be pleased to prepare a submission to our Board providing that you submit what you consider a fair offer and the maximum amount that you would be able to pay without seriously handicapping yourself in your farming operations.

I may state that the account at the present time amounts to $182.60 of which $59.84 is principal and the balance is for accrued interest.

We will be pleased to receive your offer in this connection at your earliest convenience.

Dear Sir:

RE: Account of A.E. Hornett
N.E. ¼ 22-31-4-W.4th

In a letter dated February 28, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and fodder which was advanced to Mr. A.E. Hornett by the Federal Government in the year 1915. The amount outstanding is $182.60 of which $59.84 is principal and $122.76 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. Sir,

Re,N.W.¼ 16 - 15 - 1 - West 4th.

Referring to the cancellation proceedings instituted against your homestead entry for the above described land, I beg to inform you that the Department is now in receipt of a report by a Homestead Inspector in which you are credited with continuous residence from the 26th of March last but with only 8 acres of breaking.

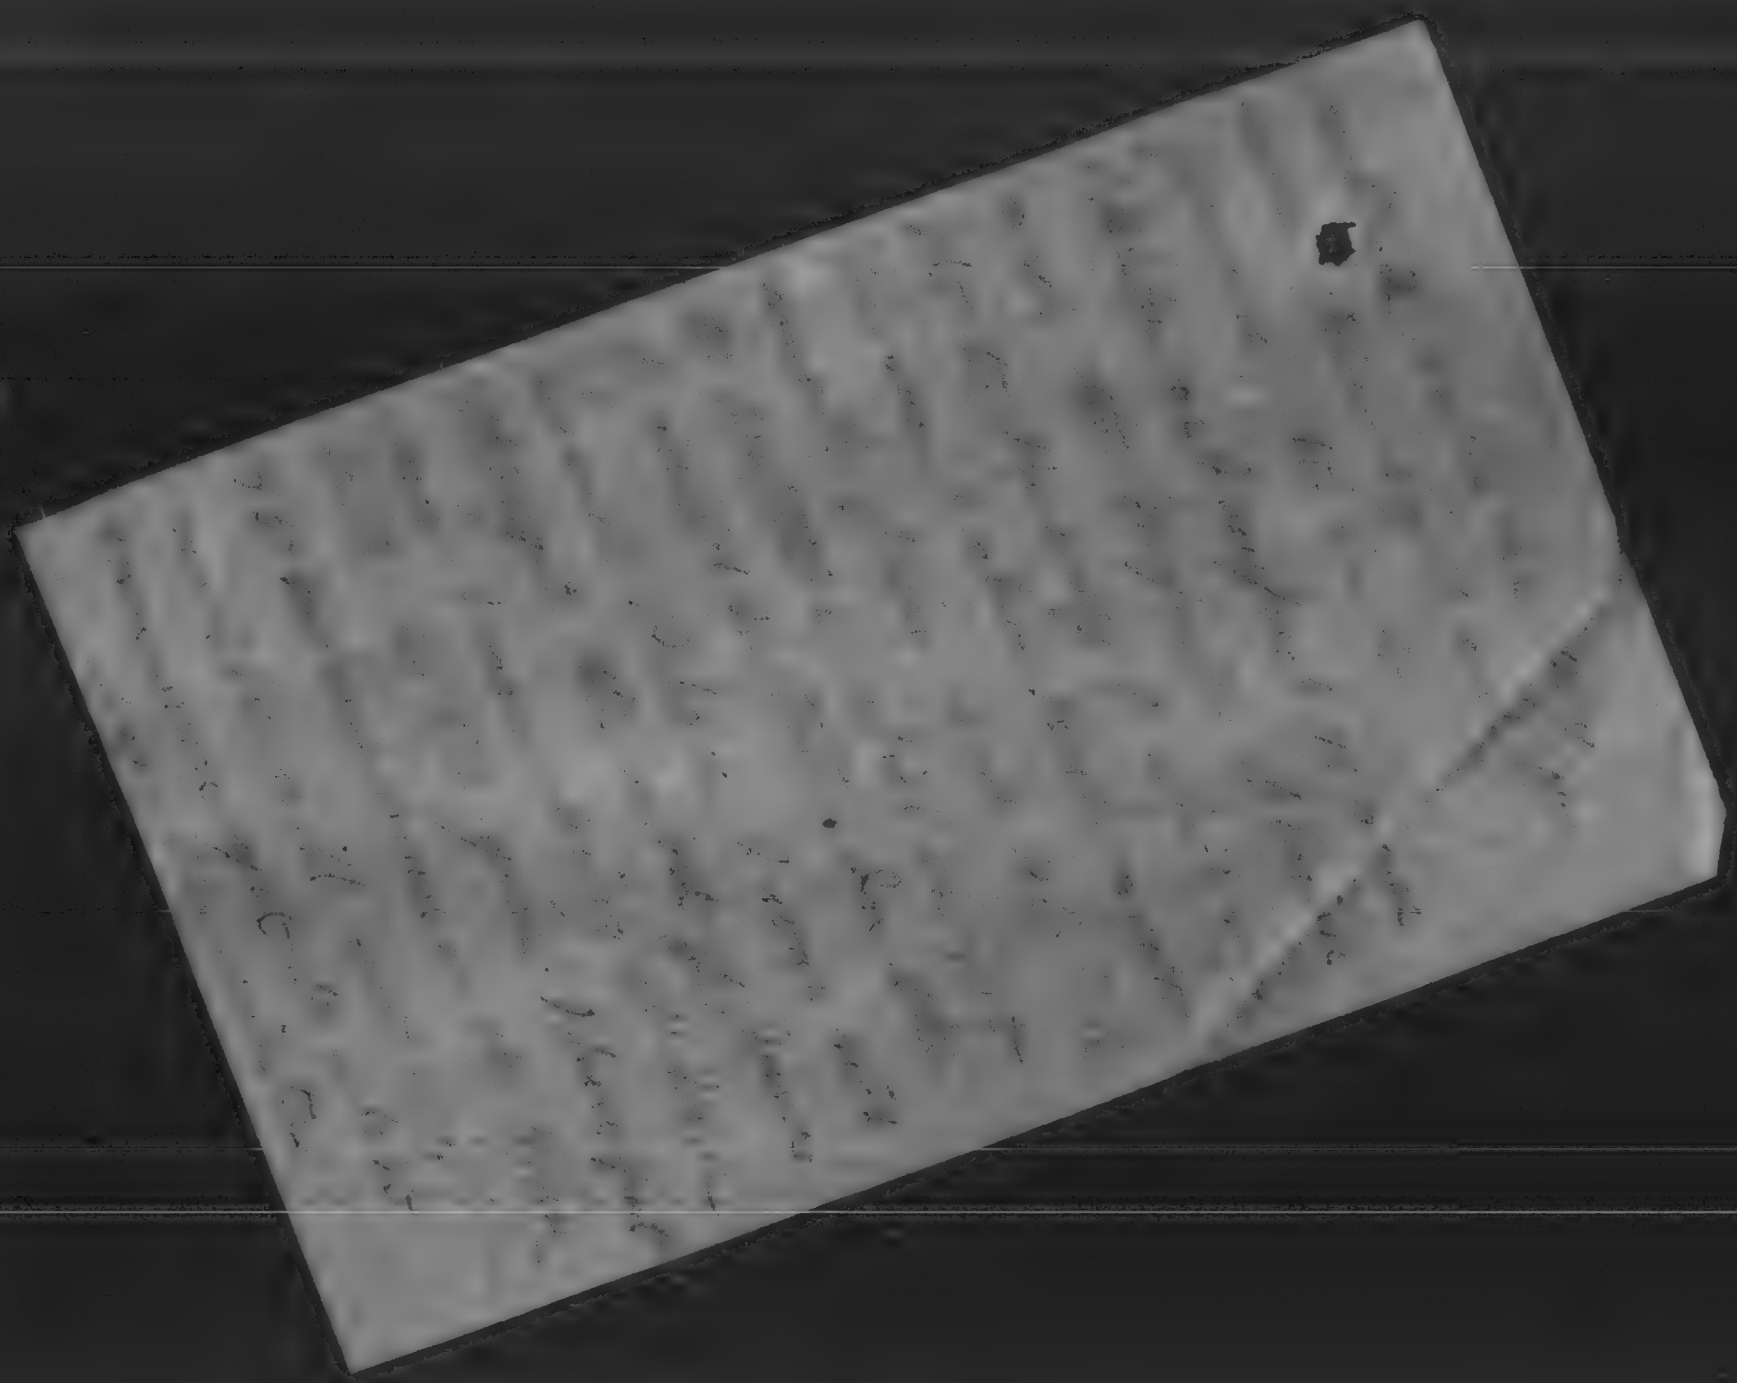

As you stated in your Statutory Declaration of the 17th of April last, that you were cropping 10 acres and intended to break 25 acres more this season, I am to ask for an explanation within thirty days from this date why you have not made good your intentions in this respect. You have held the land for two years now and your entry is in consequence in serious default in the matter of cultivation.

Re: Account of Hugh P. Goanlon
N.E.¼ 16-15-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $109.90 were made to Hugh P. Goanlon in 1922 on the security of the above-mentioned land. Payments of $42.86, $96.90 and $59.83 were collected by the Province in 1930, 1931 and 1944, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
-	$1.44	$1.44

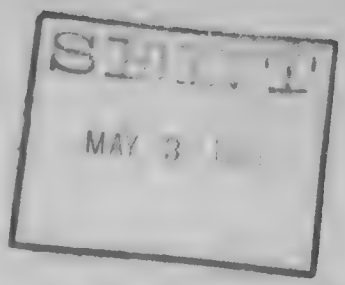

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. H. Stinson.

One Robert Ritteson appeared before the Agent at Medicine Hat on the 23rd April, 1910, and made homestead and preemption entries for the S. ½ of Sec.20---16--4, W. 4th M.

Without abandoning his entries for this half section, Mr. Ritteson appeared at the Agent's office at Estevan, and made homestead entry for the S-E. ¼ of Sec. 17--4--16, W. 2nd M., under the name of "Robert Roberson," taking the usual affidavit that he had not previously obtained entry for a homestead on Dominion lands.

A complaint having been lodged with the R. N. W. M. P. that this man had committed perjury, a constable was instructed to investigate this matter, and his report is attached hereunder, being to the effect that Mr. Ritteson acknowledges that he obtained his last entry owing to misrepresentation.

In view of the foregoing, I assume that Mr. Ritteson's entry for the S-E. ¼ of 17-4-16, W.2nd M., should be summarily cancelled.

Cancellation proceedings were instituted against Mr. Ritteson's homestead and preemption entries for the S. ½ of 20--16--4, W. 4th M., on the 25th ultimo, and I assume that the proceedings may be allowed to run the usual

Your file [illegible]91, Alameda and 1675.10.

I have the honour to acknowledge receipt of your favor of the 23rd May herein advising me that one Robert Kitteson had appeared at the Dominion Land Agent's office at Estevan and that he had made entry for a homestead in the name of "Robert Robertson" though he had already made entry for a homestead on Dominion Lands at your Medicine Hat office.

You also state that a complaint was lodged with the North West Mounted Police and that a Constable of that body made investigations in the matter and you further say that as far as the illegal entry made by Mr. Kitteson is concerned it has been summarily cancelled and that your Department therefore has no further interest in the case.

I have the honour to advise you that nothing has been done herein as no information has yet been laid in the matter and it is customary for the officers of your Department to lay an information in matters of this kind before this Department proceeds with the case.

M E M O R A N D U M:

This case does not involve the disposal of any land. Sometime ago Mr. Robert Ritteson made entry for the south half of Section 20, Township 16, Range 2, West of the 4th Meridian, as a homestead and preemption, and later, while still holding this half-section made homestead entry for the South East ¼ of Section 17, Township 4, Range 16, West of the 2nd Meridian, under the name of "Robert Roberson". When the matter came to the attention of the Department, the entries were cancelled, and the Attorney General for the Province of Saskatchewan advised in order that he might take what steps he deemed necessary in the matter, with the view to a conviction for perjury. This official, in his reply, states as follows:-

"I have the honour to advise you that
"nothing has been done herein as no informat-
"ion has yet been laid in the matter and it
"is customary for the officers of your
"Department to lay an information in matters
"of this kind before this Department proceeds
"with the case."

In this connection, I would like to suggest, as the man has lost all the land that the matter be allowed to drop. I think the lesson that Mr. Ritteson has had will be more than sufficient to make him more careful in the future.

Respectfully submitted,

F. Fitz-Roy Dixon, Esq.,
Assistant Deputy Commissioner
of Dominion Lands.

Sir,

I beg to acknowledge the receipt of your letter of the 16th ult., File 13-12, in connection with Robert Kittenon alias Robert Roberson, and in reply am to say, it is not the practice of the Department to institute criminal proceedings or to lay information with a view to the institution of criminal proceedings. The necessary action for the cancellation of the plural entries having been taken, the matter, in so far as the Department is concerned is closed, after the attention of the Attorney General for the Province in which the land is situated has been drawn to the matter.

Under these circumstances, it is considered that the necessary action should be taken by your Department.

Cancellation proceedings were instituted against the entry of Mr. David A. Frisbie for the above land on the 26th November last, and the "Notice to Show Cause" forwarded to the only known address has been returned unclaimed. No defence has, therefore, been filed, but before carrying out the cancellation of the entry, I wish to draw your attention to the statutory declaration executed by Mr. Frisbie on the 16th May, 1918, in defence of previous cancellation proceedings, from which declaration it would appear that he has completed the necessary duties to entitle him to patent. The applicant for cancellation, however, has given his reason for applying to cancel this land the following: "Non residence. ½ mile fence. No breaking."

Please advise me what action should be taken in the matter.

I beg to acknowledge receipt of your letter of the 28th ultimo, having reference to the delay in obtaining the Homestead Inspector's report called for by your letters of the 14th April and 30th May, 1919 in connection with the above described land, in which you say in part as follows:-

"Why these instructions were not observed and the delay in procuring a report is not understood."

and in reply to say that former Homestead Inspector William Switzer was asked to obtain the report required by letters dated April 23rd and June 9th, 1919, copies of which were forwarded to you.

From the 31st March, 1919, up to the date of his resignation some time in March of this year, Inspector Switzer furnished no reports to this office, and his neglect in this respect was repeatedly brought to the attention of the Department.

On the 5th April last Homestead Inspector W. J. Mayberry was placed in charge of the district formerly covered by Mr. Switzer, and on the 5th May his report in connection with this quarter section was forwarded to you. Owing however, to the entrant not being in the district at the time of the Inspector's visit he was not able to obtain the information called for, and he has been requested to obtain a supplementary report as soon as possible.

Pre-emption of David Arthur Frisbie.
Entry granted 26th July, 1911.

S.W.¼ 21-16-2-W. 4th M.
Homestead patented 5th September, 1913.

In submitting this case I recommend cancellation.

Cancellation proceedings were first instituted in connection with the pre-emption in April 1918 and subsequently abandoned in view of evidence submitted by the entrant claiming sufficient in the way of residence and 70 acres of cultivation.

Cancellation proceedings were again instituted in November 1918 and are still pending, in defence of which the entrant failed to file a defence.

In view of the previous evidence submitted it was considered advisable to get a report before taking final action.

According to the report now to hand sufficient has been done in the way of residence and 50 acres has been cropped on the homestead and there is an $800.00 house on the homestead. The homestead it is reported was sold in 1917. It is further reported there is nothing whatever in the way of improvements on the pre-emption ather than ½ mile of fencing worth $25.00. Nothing has been paid on account of the pre-emption purchase price.

Sir,

re H.W. | 2-16-2 W. 4th M.

I beg to acknowledge your letter of the 14th ultimo, informing the Department that under and in virtue of the Certificate of recommendation issued in his favour in connection with his pre-emption entry for the quarter-section, above mentioned, Mr. C. Conner has assigned his interest in the land to one L. F. Gordon, subject to his indebtedness to the Department on account of pre-emption dues, and requesting, on behalf of the aforesaid Mr. Gordon, an extension of the Certificate of Recommendation until the 15th December, 1921, owing to the failure of his crop this year and his consequent inability to meet the payment.

In reply I beg to say that the Department will be unable to take any official cognizance of Mr. Gordon's request insofar as the Certificate of Recommendation is concerned and moreover, it was never the intention of the Act that the assignee should take possession of the land involved by the transaction for his own use and benefit before issue of patent. Doubtless the assignment was not entered into without financial consideration and it was the duty of Mr. Gordon in conducting the negotiations to first make provision for discharging the indebtedness of Mr. Conner to the Department in order that patent might be issued forthwith, after which it would rest with him to secure transfer of title to himself.

Inasmuch as Mr. Conner appears to have divested himself of his interest in the land, it would not appear that the Department would be warranted in granting him an extension of time in connection with the Certificate of Recommendation referred to even were he, on learning of the refusal of the Department to recognize Mr. Gordon in the matter, to make application for such consideration. While the Department is not concerned with the means adopted to raise funds with which to meet liabilities of this kind, it can only be suggested that if Mr. Gordon is unable to meet the indebtedness without assistance, he should endeavour with the assistance of Mr. Conner, to obtain a loan and discharge his indebtedness to the Department out of the proceeds thereof.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the prospective day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved, for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Dear Gentlemen
I have filed on this SE ¼ sec
20 Township 16 Range 2 west 4th
it was owned By W. G. Frisbe and I
have filed on it this day of January 1921
there was one mile posts and two wires
through half mile and as I found out now
the west door owned ¼ mile wire and posts
and the Man by this name George Tiarnifer
Claim after I filed on it he owns 160 rods
of wire he had put it on on account of his stock
to be in it in 1919
So I paid for all these improvements
and it Valued to 25. as all this
But now I only have 640 rods of wire
and should have 1280 rds and there is
a half mile posts od cedar posts
so I think the 640 rds wire is worth about
$15.00 is old rusty wire and the posts are
worth about 10.00 half price.

Re: Account of Ralph A. Unreiner,
S.E. 20-16-2-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1922 seed grain amounting to $31.20 was advanced to Ralph A. Unreiner on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 31.20	$ 65.49	$ 96.69

Patent was issued in the name of Ralph A. Unreiner for the S.E. 20-16-2-W.4th on the 29th of September, 1926, subject to the 1922 lien.

Title to the land has since reverted to the Crown in the right of the Province under the Tax Recovery Act.

In reply to our questionnaire of the 8th of November, 1952, D. Andrews, Director of Assessments, Local Improvement District No. 21, Department of Municipal Affairs, Edmonton, Alberta, advised that this quarter section is still Crown land and is no longer being operated. It is no longer assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our lien.

Under the circumstances, it is recommended that the indebtedness be cancelled and the lien discharged.

Re: The Alberta Gas Trunk Line Company Limited
Pipe Line Easement - SE/4 - 20-16-2-W4 M.

As Land Agent for The Alberta Gas Trunk Line Company Limited we are responsible for securing all Pipe Line Easements for a gas pipe line in the North Medicine Hat, Alberta, gas field.

In addition to securing Easements we must affect registration of them so that they will be the first charge against the titles to all lands transected. As you will appreciate this must be accomplished in order that money can be borrowed against the Easements through a Mortgage Company.

In this particular instance an Abstract of Title to the subject property was obtained which revealed the registration of a Seed Grain Bond as No. 6304 B.U. covering loans and interest from the 12th of April and 20th of May, 1922. For your review attached is a photostat of this Abstract.

In view of the above, we are required to secure from your Department a Postponement of this memorial in favor of "Trunk Line's" Easement or enquire as to whether you will completely discharge same.

Sir,

In Re: [illegible]-7, S.4th W.

I beg to acknowledge the receipt of your declaration of abandonment in connection with the above described quarter Section, which you hold as a preemption entry. You state in your declaration that you wish to abandon your preemption entry and be allowed to refile on the land as a Soldier Grant.

In reply I am to inform you that action is not being taken on your declaration at present as it may be possible that you are not eligible to enter for land as a Soldier Grant.

For your information I am also enclosing copy of Form 365 also copy of the Soldier Settlement Act, 1919, and I am to draw your attention to Section 15 of the Act. After reading this Section of the Act you will be able to judge whether or not you are in a position to apply for a Soldier Grant entry. If not, you should communicate with this office within thirty days and apply to have your abandonment withdrawn so that you may retain this quarter Section as your preemption.

Enclos. 2

If you are eligible for a Soldier Grant, you should appear at the office of the Agent of Dominion Lands at Lethbridge, or the Sub-Agent for the District, and execute Form 365 and present your declaration certificate from the Soldier Settlement Board. If the Agent is satisfied that you are entitled to a Soldier Grant entry, he will cancel your preemption entry and allow you to make Soldier Grant entry for the land in the ordinary way.

Irving H. Hall, Esq.,

Kindly be referred to your communication of the 2nd of October last, concerning any indebtedness that might be outstanding for advances made to Mr. Ledd. There is, according to the evidence of a communication from the Registrar, no Dominion Liens registered against the S.W. 30-20-7-W. 4th Mer., which was the subject of your communication.

An advance was made, however, to Irving H. Ledd on the security of the N.W. ¼ against which there is a small balance outstanding, as indicated in the attached statement. N.E.¼ 25-20-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $58.00 was made to Henry Aldred Carnes in 1922, on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$58.00	$166.76	$224.76

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. W. Stinson.

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: –

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

The Department of Municipal Affairs, in order that they may be in a position to give the purchaser a clear title to this property, are now requesting the release of the seed grain and relief liens and I would recommend that the Department of Agriculture be advised to remove these liens from the title.

I might state that the Department of Agriculture informs me chattel mortgages on live stock and farm machinery were taken as additional security for the relief advances and that these securities have been re-registered in the registration district in which Mr. Anderson is now farming. They further inform me he had 75 acres in crop last year, but owing to inclement weather during the harvesting season he barely succeeded in paying the expenses of his farming operations. They expect however to make further collections on this account from time to time when Mr. Anderson has become thoroughly re-established in his new location.

Yours very truly,

EDMONTON, ALBERTA

Feb. 15th 1928.

Dear Sir:..

Re:- NE 14-6-5-4.

This land was farmed by one Chas. Anderson during the years 1919 to 1922, in which period he obtained the under mentioned advances from the Department of Agriculture, giving this ¼ section as security therefor:

Seed Grain:

3642	16/4/19	$268.65
7453	23/4/20	87.50

Relief:

992	4/2/20	
5889	1/5/20	107.75
3646	20/2/22	165.00
5044	18/3/22	12.55
7805	5/4/22	90.10
		47.22

the relief advances being made under the 50% agreement with the Dominion Government.

Owing to the drought conditions prevailing in the district in which this land is located, Mr. Anderson found that he was unable to make a success of farming in that district and in 1925 moved under the Movement of Settlers Plan to NW 34-39-3-5, in the vicinity of Hespero, on which place he is still located.

Mr. Anderson, not desiring to retain the above ¼ section, allowed the same to revert to the Department of Municipal Affairs under the Tax Recovery Act, and that Department has now disposed of the property for the sum of $400.00, which has been distributed pro rata between arrears of taxes and the Department of Agriculture's claim for seed grain and relief, the latter receiving the sum of $371.54, which amount has in turn been distributed pro rata between the claims for seed grain and relief, the former receiving credit for $182.95 and the latter $188.59.

522177

the said land be discharged.

The Board further recommends that the Chattel Mortgage security held be not released and that the debot, Charles Anderson, be held responsible for the balance of these liens, also that the Provincial Department of Agriculture take steps to collect the balance of said liens from him.

Re: Charles Anderson - N.E.¼ 14-6-5-4.

At a meeting of the Board appointed under Order P.C. 2200, held at Calgary on March 9, 1928, at which all members were present, it was unanimously agreed to recommend the acceptance of the sum of Three Hundred and Seventy one Dollars and Fifty four cents ($371.54), in full settlement of all outstanding liens, covering advances made to Charles Anderson, in accordance with the terms of the report dated February 15th, 1928, made to the Board by the Director of the Debt Adjustment Act, a copy oc which is attached herete.

In support of this Recommendation, the Board states that this debtor abandoned his farm and moved to a new location in Northern Alberta, allowing this land to revert to the Crown in the right of the Province of Alberta, under The Tax Recovery Act; that upon offering the land for sale the price secured was $400.00, which amount has been apportioned between the tax arrears and the liens, seed grain and relief, registered against the land, and in taking into consideration the conditions relating thereto, that the proposed settlement and the payment of $371.54 is fair and reasonable.

The Board therefore recommends that this amount be accepted and applied pro rata between the seed grain and relief advances, seed grain advances receiving $182.95 and relief advances $188.59, and that the liens now registered against

7th May, 1929.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that in the years 1928 and 1929 one Charles Anderson became indebted to the Crown in the joint and equal right of the Province of Alberta and the Dominion by way of advances of fodder and relief totalling $402.62 made to him on the security of the North West quarter of Section 14, Township 6, Range 5, West of the 4th Meridian, which land has now been sold by the Province under the Tax Recovery Act and a payment of $[illegible].59 placed to the credit of the above advances with the request that the liens given as security be released from title thereto.

The Committee appointed under P.C. 2088, unanimously recommends that said payment be accepted and that the land liens given as security be released from title to the land hereinbefore mentioned.

The undersigned, therefore, in view of the recommendation of said Committee and under and by virtue of the provisions of Section 1, of the Act 17, George V., Chapter 51, recommends that said payment of $111.99 be accepted and that in consideration thereof authority be given to take any action necessary to clear the records of the Land Titles Office in respect of the North West quarter of Section 14, Township 6, Range 5, West of the 4th Meridian, from all land liens given in favor of the Crown by the said Charles Anderson as security for the fodder and relief advances made to him in the years 1928 and 1929.

Respectfully submitted.

Explanation to Accompany Memo to Councils

In 1920 and 1922 one Charles Anderson became indebted to the Crown in the joint and equal right of the Province of Alberta and the Dominion by way of advances of fodder and relief totalling $422.62 made to him on the security of the N.E. 14-6-5-4.

He also became indebted to the Crown in the years 1919 and 1920 in the sole right of the Province by way of advances of seed grain totalling $326.15.

He abandoned the land and it was sold by the Province under the Tax Recovery Act for $400.00 and the Department of Municipal Affairs have placed the sum of $371.54, a portion of the sale price, to the credit of the seed grain, fodder and relief indebtedness with the request that title to the land in question be cleared of all liens given in connection therewith.

The Director of the Debt Adjustment Act of Alberta who investigated this case and a copy of whose report is attached hereto, states that the $400.00 received for the land was divided pro rata between the arrears of taxes and the account for seed-grain and fodder-relief advances resulting in a credit to the latter of $371.54 which sum was again divided pro rata between the seed-grain and the fodder-relief indebtedness the latter receiving credit for $138.59; that the debtor is now farming the N.W. 34-39-3-5; that the chattel mortgage given by him as collateral security for the fodder-relief advances have been registered in that district and that the Province expects to make further collections on this account from time to time.

The Committee appointed under P.C. 2200, a copy of whose report is also attached hereto recommend that said payment of $138.59 be accepted and that title to the N.E. 14-6-5-4 be cleared.

It is proposed to approve the recommendation of the Committee.

This Department requires three or if possible four copies of the Order-in-Council.

Dear Sir:-

Re: NE 14-6-5-4.

This land was farmed by one Chas.Anderson during the years 1919 to 1922, in which period he obtained the under mentioned advances from the Department of Agriculture, giving this ½ section as security therefor:

Seed Grain:

3642	16/4/19	$268.65
7453	23/4/20	87.50

Relief:

992	4/2/20	107.75
5889	1/5/20	165.00
3646	20/2/22	18.55
5044	18/3/22	90.10
7805	5/4/22	47.22

the relief advances being made under the 50% agreement with the Dominion Government.

Owing to the drought conditions prevailing in the district in which this land is located, Mr.Anderson found that he was unable to make a success of farming in that district and in 1925 moved under the Movement of Settlers Plan to NW 34-39-3-5, in the vicinity of Hespero, on which place he is still located.

Mr.Anderson, not desiring to retain the above ½ section, allowed the same to revert to the Department of Municipal Affairs under the Tax Recovery Act, and that Department has now disposed of the property for the sum of $400.00, which has been distributed pro rata between arrears of taxes and the Department of Agriculture's claim for seed grain and relief, the latter receiving the sum of $371.54, which amount has in turn been distributed pro rata between the claims for seed grain and relief, the former receiving credit for $182.95 and the latter $188.59.

The Department of Municipal Affairs, in order that they may be in a position to give the purchaser a clear title to this property, are now requesting the release of the seed grain and relief liens and I would recommend that the Department of Agriculture be advised to remove these liens from the title.

I might state that the Department of Agriculture informs me chattel mortgages on live stock and farm machinery were taken as additional security for the relief advances and that these securities have been re-registered in the registration district in which Mr.Anderson is now farming. They further inform me he had 75 acres in crop last year, but owing to inclement weather during the harvesting season he barely succeeded in paying the expenses of his farming operations. They expect however to

Re : Charles Anderson - N.E. ¼ 14-6-5-4.

At a meeting of the Board appointed under Order P.C. 2200, held at Calgary on March 9, 1928, at which all members were present, it was unanimously agreed to recommend the acceptance of the sum of Three Hundred and Seventy one Dollars and Fifty four cents ($371.54), in full settlement of all outstanding liens, covering advances made to Charles Anderson, in accordance with the terms of the report dated February 15th, 1928, made to the Board by the Director of the Debt Adjustment Act, a copy of which is attached hereto.

In support of this Recommendation, the Board states that this debtor abandoned his farm and moved to a new location in Northern Alberta, allowing this land to revert to the Crown in the right of the Province of Alberta, under The Tax Recovery Act; that upon offering the land for sale the price secured was $400.00, which amount has been apportioned between the tax arrears and the liens, seed grain and relief, registered against the land, and in taking into consideration the conditions relating thereto, that the proposed settlement and the payment of $371.54 is fair and reasonable.

The Board therefore recommends that this amount be accepted and applied pro rata between the seed grain and relief advances, seed grain advances receiving $183.95 and relief advances $188.59, and that the liens now registered against the said land be discharged.

The Board further recommends that the Chattel Mortgage security held be not released and that the debtor, Charles Anderson, be held responsible for the balance of these liens, also that the Provincial Department of Agriculture take steps to collect the balance of said liens from him.

MEMORANDUM OF AGREEMENT between the Honourable Arthur Meighen, Minister of the Department of the Interior, on behalf of the Government of the Dominion of Canada, and the Honourable Charles Stewart, Premier, on behalf of the Government of the Province of Alberta, entered into this 23rd day of October, 1919.

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta recognize that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

AND WHEREAS the Governments aforesaid have undertaken to provide such relief to the said needy settlers affected on the terms and in the manner hereafter set forth:

THEREFORE, it is agreed by the said Minister of the Interior and by the said Premier of the Province of Alberta as follows:

(1) That the Government of the Province of Alberta will undertake the distribution of relief to said settlers whether owning their land or holding the same under entry from the Dominion of Canada and in accordance with their necessities.

(2) The respective Governments aforesaid will each bear one-half of the amount of such relief and for such purpose the Government of the Dominion of Canada will from time to time and upon the request of the Government of the Province of Alberta pay over to the latter the necessary funds to meet its one-half share of the total amount of relief as provided; it being understood, however, that no part of the expense of the administration in connection with the distribution of such relief is to be paid by the Government of the Dominion of Canada.

(3) The security of liens taken for relief advances shall be in favour of the Government of the Province of Alberta, except in cases where relief is being extended to settlers upon unpatented lands, in which event the security or liens on such unpatented lands shall be in favour of the Government of the Dominion of Canada.

(4) If relief is provided by a municipality and the Government of the Province discharges a liability for the actual amount of such relief or part thereof incurred by the guarantee of such municipality, the Government of the Dominion of Canada will pay the Province one-half of the amount paid to discharge such liability and thereafter one-half of any amount collected by the Province in respect of such relief or the security taken therefor shall be paid to the Government of the Dominion of Canada, and where money is collected either by the Government of the Dominion of Canada or by the Government of the Province of Alberta in respect to other advances made under this Agreement, the Government making such collection shall pay one-half of the same to the other Government.

(5) No discharge or partial discharge should be given of any security except by mutual consent of the Premier of Alberta and the Minister of the Interior or in accordance with the principles to be hereafter mutually agreed to.

Re: Account of Norman William Dornan
N.E.¼ 4 & S.W.¼ 4-26-14-W.4th
N.E.¼ 33-25-14-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $110.44 were advanced to Norman William Dornan on the security of the above-mentioned land. Payments of $10.25 and $1.60 were received in 1915 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$100.78	$227.81	$328.59

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Stinson.
